"Service That Makes Friends and Holds Them"

It is our belief that the relations of a Battery Service Station to its clients is in no wise different from that of a doctor or lawyer, in that in order to prosper they must serve faithfully and well---rendering "service that makes friends and holds them."

The various members of this Battery Service institution appreciate the fact that unless you return again and again as the result of satisfactory service rendered, we are not attaining a definite place in the business world.
