

Activities of North Shore Clubs by Ruth Risley

EVERYONE on the north shore is vitally interested in the American Fund for French Wounded, and so the benefit dancing and bridge party which is to be given next Monday evening at the Winnetka Woman's club, is to be patronized by society all along the north shore.

As we all know the American Fund for French Wounded has in process of construction an American hospital at Rheims, France. This hospital is to be a perpetual memorial of their work for the orphans and women of that country. The Cercle Francais, acting as a sub-committee of the American Fund for French Wounded, has pledged itself to raise the sum of \$6,000 for the endowment of a bed. As Glencoe and many other towns on the north shore participated most actively in the service of the American Fund for French Wounded, at their various Red Cross shops, the co-operation of all those interested in seeing the completion of this final work—The American Memorial Hospital for women and children—is asked.

The patrons and patronesses for the affair are:

Mr. and Mrs. Charles W. Alison

A petition to buy land in the south east section of Winnetka to beautify the entrance to Indian Hill, was laid before the club for endorsement. The Board of Education and many individuals have endorsed the movement originally sponsored by the Indian Hill Improvement association.

The Wilmette Public School Art league, which gave up its purpose during the period of the war to assist the Red Cross shops, has again resumed its work and asks the co-operation and support of the public. The league will hold its meetings on the third Tuesday of each month, at the home of Mrs. F. L. Joy, 812 Central avenue.

Our Days.

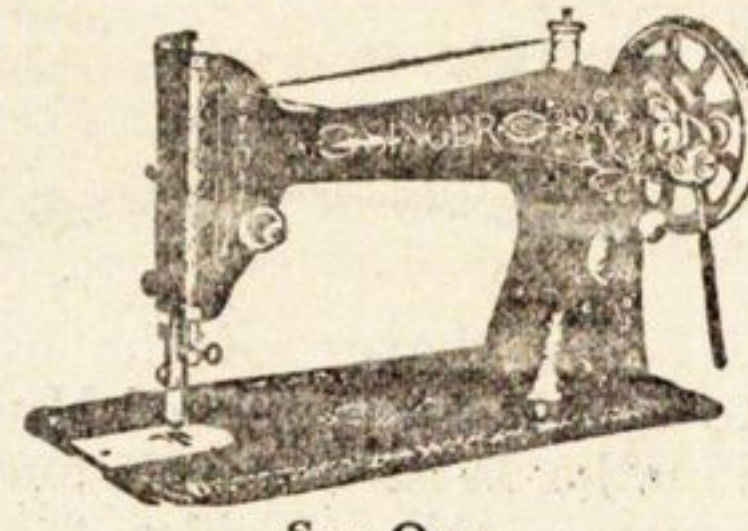

We ask for long life, but it is deep life, or grand moments, that signify. Let the measure of our days be spiritual, not mechanical.—Emerson.
