

SERG. ALVIN YORK AT ORCHESTRA HALL

Most Outstanding Hero of World War To Speak in Cause of Mountaineers

Sergeant Alvin C. York, called by Marshal Foch the most outstanding hero of the World War, will appear at Orchestra hall, Chicago, on Tuesday evening, November 25, at 8:15 o'clock, under the auspices of the Rotary club of Chicago. The entire proceeds of the lecture will be applied to the York foundation which will give boys and girls in the Southern Mountain Sections a chance to avail themselves of the greatest need of this section of the country—Education.

Formerly Sergeant, 328th Infantry, 82nd Division, United States army. Elder in the Church of Christ and Christian Union, Pall Mall, Fentress county, Tennessee.

A Christian soldier. The most outstanding hero of the world war.

What Sergeant York Did

He gave battle to and put out of action an entire German machine gun battalion in the Argonne on October 8, 1918.

He killed more than twenty of the enemy and captured 132, including four officers.

Marshal Foch says that he did the greatest thing accomplished by any soldier during the war.

He is asking nothing for himself, giving all to this purpose.

PLAN GOLDEN RULE CLUB TO EFFECT WORLD REFORM

Believing that the application of the golden rule to business, politics, society and everything will make this old earth a decent place to live in, John Godall Young of New York City, recently launched his golden rule campaign. Eighteen guests, chosen from as many walks of life, attended the ceremonies. The eighteen guests are to form the nucleus of the Golden Rule clubs of America. They are solemnly charged to put into effect in their everyday relationship the doctrine of "do unto others as you would have others do unto you." Mr. Young before putting his golden rule scheme into effect was a leader in the boy scout movement in New York.

Our Days.

We ask for long life, but it is deep life, or grand moments, that signify. Let the measure of our days be spiritual, not mechanical.—Emerson.

SAFE INVESTMENT

As illustrated and described in former copies of this paper we will soon have a fireproof warehouse in our vicinity. Warehouses never fail to pay good dividends and there is no reason why this would not be true in this territory. Kindly telephone Wilmette 32 for further particulars.

GONE IS WINNETKA AVENUE MUD; STREET NOW PAVED

No longer will the New Trier High school students carry into the front parlors at home the mud of Winnetka avenue. That thoroughfare, which passes directly in front of the prep school, is now beautifully paved from end to end, according to Windes and Marsh contractors.

In addition to the splendid pavement the contractors provided for a large automobile parking space in front of the school gymnasium. The

CHANGE THE GEARS!

Charles' uncle was a tall man, and one day when he had Charles out for a walk he forgot the length of a child's step, and poor Charlie was almost running to keep up. They came to a rise in the grade of the walk and Charles stopped and said: "O, uncle, please change into low; I just can't make it on high." space, it is said, will accommodate 500 cars, leaving the street clear for passing traffic.
