

WITH OUR BOY SCOUTS

**ROOSEVELT, HERRICK,
STORROW, JOIN BOY SCOUTS**

Lieut. Col. Theodore Roosevelt has accepted membership on the Executive Board of the National Council of the Boy Scouts of America.

Hon. Myron T. Herrick of Cleveland, former Governor of Ohio and Ambassador to France, and Hon. James J. Storrow of Boston also accepted election to the National Council's Executive committee at the same meeting.

These three men bring with them a great deal of strength and enthusiasm for the Boy Scout work.

Archbishop Patrick J. Hayes of New York City, became an honorary member of the National Council.

THE SCOUT CAVE

Hey, Cave Gang, come closer, let each of us name
The worst kind of nuisance—we'll call it a game.
"I vote for the fellow who's never on time!"
"The fellow who always would borrow a dime!"
"The geezer, while camping, who snickers all night!"
Yes, those pests are terrible trying, I grant,
But I'll cast my vote for the fellow who "can't."
He can't rig a fish-pole, he can't take a hike,
He can't cook a flap-jack or tinker his bike!
He can't learn to signal, he can't do first aid,
Can't do without candy or pink lemonade,
Can't follow a trail and can't lace up his shoe,
Can't do a blamed thing that you want him to do!
Oh, boy, I'd be happy if I could but plant
A swift on the rear of the fellow who can't!
He can't get his grammar, or spelling or math'
Can't split the kindling, he can't take a bath,
He can't help his mother, he can't use his head,
Can't rise in the morning and can't go to bed,
He can't find his collar, he can't tie his tie—
He never knows what he could do if he'd try—
But repeats all day long his monotonous chant:
"Oh, mamma, oh teacher, oh mister, I can't."
There's great need in the world for the confident man
Who tackles his work with a hearty "I can."
So if you would succeed and find living a joy,
Just learn how to do things while you are a boy;
For the boy who refuses to work when he should
Loses the power to work when he would.
Weakness and softness his talents supplant,
And he finds at the test that he really can't.

United States marshals acted as enumerators at the first nine decennial censuses. Each marshal had as many assistants as were necessary to properly cover his allotted territory.

**HALF MILLION SCOUTS
TO ENJOY A BIRTHDAY**

The National Council of the Boy Scouts of America is inaugurating the most extensive plans in the history of the Scout Movement for the celebration of the tenth birthday in February, the week of the 8th to the 14th.

In this plan opportunity is given to appeal to every man, woman and child in America to live the scout rule, "Do a Good Turn Daily," for that one week just as the Boy Scouts do throughout the year.

Word is coming from many sources that scoutmasters are already preparing the most entertaining and informative exhibitions that arrangements more extensive than those of last year are being perfected by councils and troops for dinner festivities in which the fathers will participate, and many other indications point to the coming of a remarkable week of real scout service.

HOLY NAME MEETING

The next quarterly meeting of the Holy Name society will be held at Holy Angels hall, Oakwood boulevard and Vincennes avenue, Chicago, December 21. Representatives from every branch in the Archdiocese are expected to attend. C. F. Clyne, U. S. District Attorney, will be one of the speakers.

The Right Battery for YOUR Car

Every car needs a certain particular type of battery to fit the other electrical equipment the car builder put on it.

Don't go to some one who'll sell you "any old battery" — because he hasn't your particular size and type in stock. Come to the Authorized Willard Service Station where we carry a complete stock, and can sell you the one battery that your car needs.

And remember—Willard Batteries with Threaded Rubber Insulation last longer and need less repairs than any other you can buy—because the insulation lasts as long as the plates, instead of wearing out and making re-insulation necessary before you have had the full service you should get.
