

## Social Happenings in Winnetka & Hubbard Woods. by Ruth Risley

**A** SPECIAL MEETING of the Winnetka Woman's club will be held at the clubhouse next Thursday afternoon at 3 o'clock, for the purpose of discussing the ratification of the peace treaty. At the meeting yesterday a communication from the Men's club was read requesting that the Woman's club adopt the resolution for the ratification of the peace treaty, that was accepted a fortnight ago at the Men's club meeting. As there was only a limited time for the discussion of this vital subject, it was decided that a special meeting should be called.

**M**MR. AND MRS. FREDERICK H. SCOTT of Sheridan road have issued invitations for a tea-dance to be given at Indian Hill club on Monday afternoon, December 22, in honor of their daughter, Isabel Scott, and for a dancing party to be given that evening at the clubhouse for their daughter, Miss Emily Scott.

Mr. and Mrs. John Robert Leonard, and Miss Leonard, have issued cards for an "at home" on New Year's Day, between the hours of four and seven-thirty o'clock, at "Wildacre".

Mrs. J. Edwin Bradstreet has issued cards for a reception to be given at the Winnetka Woman's club on Monday afternoon, December 15, from four to six o'clock, to meet her daughter-in-law, Mrs. Endicott Bradstreet. She will be assisted by Mrs. P. Wentworth Bradstreet, and Mrs. Howard Hoyt, Jr.

Dr. Alice Barlow-Brown was delayed on the Touraine on account of the lack of coal. The French liner which was to have sailed on Monday, did not sail until Thursday. The book, "The House of the Good Neighbor", by Esther Lovejoy, which is for sale at both drug stores and at Miss O'Brien's Hat Shop, is being sold for the benefit of Dr. Brown's Serbian Relief work. MacMillan, the publisher, says of it, "The Experiences narrated in "The House of the Good Neighbor" are as old as Eve, but as new as the Dawn of Day. They are every-hour occurrences in every part of the world but such a description as this has never been written of before."

This volume received its name from a social center in France, on the outskirts of Paris, where Dr. Lovejoy lived during the winter of 1917-18. Chapter Eighteen, called "Five Women in a Camionette", mentions the dispensaries which were under the supervision of our Dr. Brown.

A great deal of enthusiasm and interest is being manifested in the I. E. club which has recently been formed at Community House under the direction of Mrs. William McKinney. I. E. stands for International Events, and the object of the organization is for the discussion under Mrs. McKinney's leadership, of the important questions of the day. Many housewives are so busy these days with the cares of a home and family, that it is practically impossible for them to keep as thoroughly posted on vital matters as they wish.

The next meeting will be held on Wednesday, January 7, at three o'clock, and an invitation is extended to every woman in the Village.

"Chicago Commons", on Wednesday, at the meeting of the Woman's society of the Congregational church, proved to be one of exceeding interest. Miss Leah Taylor, principal of the Commons, and Miss Evans, who is in charge of the Girl's club, were the principal speakers of the afternoon. Others on the program were Mrs. Cassetari, an Italian woman, who told in her own way, what the Commons means to the foreign women, and Miss LaRocca and Miss Hawkins, who rendered some musical selections.

The meeting of the MacDowell Musical club was held at the home of Mrs. C. B. Ewart, 382 Ridge avenue, on the afternoon of December 8. The subject of the program was "Classical Music" and Mrs. Ascheim read an excellent paper on "The Classical in Music". Following is the program:

A committee of members volunteered to assist on Winnetka Day in the rooms of the Chicago Business Woman's council.

There will be a Christmas play and carols in the gymnasium, for all of the school. In accordance with their custom for many years, the children will bring gifts for the children of Chicago Commons. Because of the growth of the school, admission will be by ticket.

A business meeting and program of the Winnetka Woman's club will be held next Tuesday afternoon in the departmental room at 2 o'clock. The subject under discussion will be the "Work of the Y. W. C. A.", and the speaker will be Mrs. Mary Post. The Civics committee conference will present the following interesting subjects:

## Will the Coal Shortage

have an effect upon the temperature of your home? If so, is not this condition due purely to negligence on the part of the owner of the home?

People living north of the Mason and Dixon line know they must burn coal from November to April, and only the very, very poor need buy in the "from-hand-to-mouth" style.

Every spring and lasting 'most all summer the "Shortage of Ford Cars" ruffles the temper of those who neglect placing their order until they need the car. This shortage is just as positive as the first day of spring, and for your protection

### All I ask

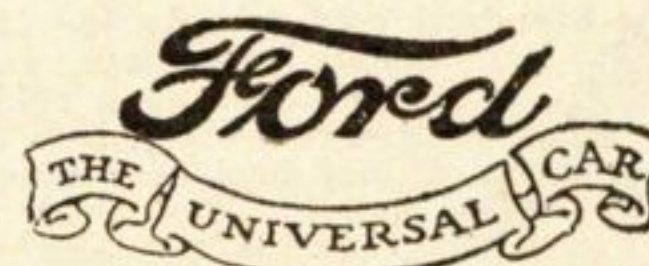

is that you place your order now. Take it at your convenience or cancel if you wish; we'll thank you for both. You take no chance; you protect your interests.

Cars sold on 12 months' time.
