PROHIBITION ENFORCEMENT JOBS ARE READILY FILLED

Bureau of Internal Revenue officials say that no more applications for appointment in the prohibition enforcement service can be considered from Illinois. The number of applications in Illinois now on file is so great that the full quota of appointments can be made with well qualified men immediately, officials declare. It will be impossible, they say, for local officers to investigate and report upon additional applicants.

KENILWORTH BOWLING ALLEYS TO BE OPENED MONDAY NIGHT

Kenilworth Bowling Club To Start Season; Plan To Organize Women's club

Kenilworth bowlers are preparing for the opening of the alleys to be opened in the Village gymnasium Monday evening, December 22. The alleys will be open to members of the club only.

The alleys, which recently received a new coat of paint, were re-decorated throughout and provided with a new and up-to-date lighting system. Regular bowling nights are Mondays and Thursdays. Jack Patterson, New Trier high school athletic department genius, will direct the bowling events. An endeavor will be made to make Tuesday evenings "open night" on the alleys.

Should present plans materialize Patterson will also organize a Women's Bowling club. Set 'em up in the other alley, Madame!

Bloody Civil War Battle.

In 1862, on the 31st day of May, the battle of Fair Oaks, Va., took place. It was a small engagement, but in proportion to the number of men engaged was one of the most sanguinary of the Civil war. An advance guard of the Army of the Potomac, numbering 10,000 men, was attacked by a force of about 15,000 Confederates a few miles east of Richmond. The battle lasted a day and a half and resulted in a technical victory for the northern soldiers. Each side lost more than 7000 men in killed, wounded and missing.

An American \$2 Bill Did This

BEFORE.

Motherless, fatherless, homeless—nameless, hungry and clad only in rags, the pathetic little three-year-old shown at the left wandered into a Near East Relief orphanage in Armenia. Another photograph of the same child, shown at the right, was taken a week later, this time showing him happy, well clothed and well fed.

AFTER.

Somewhere in America is the happy man or woman who contributed the \$2 bill which wrought this miracle. More than a quarter million other helpless little victims of Turkish cruelty and oppression are knocking at the doors of the Near East Relief orphanages in Western Asia. Many more American \$2 bills are needed now to let them in and to care for them until they can care for themselves.

Courtesy First

The ordinary family does not buy an automobile often.

They expect it to last a long time.

They want maximum comfort and satisfaction from the car they buy.

They want to protect their investment by purchasing from a dealer who has proper service facilities to maintain the car on the road and who considers the owner's satisfaction first.

Our present owners depended upon our judgment and advice in automobile matters—we shall be glad to talk with you whether you intend buying now or not. Come in any time. We always have a goodly supply of courtesy.
