It took sixteen sixteen-year old New Trier High school girls to plan and carry out a jolly and original manner of entertaining themselves on Monday, Tuesday and Wednesday of last week. The girls were Edith Brigham, Eleanor Bush, Guendolen Washington, Florence Fox, Joy Scheidenhelm, Dorothy Schmedtgen, Margaret Patterson, Ruth Kasten, Elizabeth Myers, Helen Harland, Marigold Langworthy, Catherine Lloyd, Jane Logie, Adeline Michell, Margaret MacLain, variously of Wilmette, Kenilworth, Winnetka and Glencoe.

The fun began with luncheon at the home of Marion MacLain followed by an afternoon of movies at the Hoyburn theater, dinner at the home of Elizabeth Myers, followed by a basketball game at New Trier. They spent the night at the home of Florence Fox in Glencoe. Tuesday morning they betook themselves to Jane Logie's for breakfast; went back to Glencoe for luncheon at Guendolen Washington's home, and in the afternoon were entertained at a tea at the Rectory in Glencoe by Dr. and Mrs. W. Watson; dined at the home of Marigold Langworthy; enjoyed an evening party at Helen Harland's and spent the night at Edith Brigham's. So ended Tuesday's gaieties. Next day luncheon was served at the home of Catherine Lloyd, with more movies, this time at the Howard theater, after which they disbanded.

Don't Depend on Spring Deliveries

Spring deliveries of Ford cars have never been certain, and they should not be depended upon. Demand has always been greater for Ford cars than the supply or production. So, if you would be sure of having a Ford car, buy it now while deliveries are possible. Don't wait—even next month is an uncertainty.

Only a limited, specified number of cars has been allotted to this territory. That allotment cannot be increased, because the demand all over the country is greater than the supply or production. Get your order in now, and you will be one of those who are sure of a Ford car out of our allotment.

It's first come—first served. All orders are filled in rotation. So, if you would be forehanded, if you would be certain of having a Ford car when you want it—then you will buy a Ford car now. A signed order with us is your protection. It is the result of the wisdom of looking ahead.

If you buy a Ford car now, don't think you have to "store" it. The Ford is a car made to serve its owner for business or pleasure throughout the entire year. Ford owners have long since come to recognize the fact. It is no longer popular to "lay-up" your car for the winter. Buy a Ford car now, and use it now.
