THE Attic Gift Shop, located in Community House, is sending out an especial appeal for furniture, clothing, hats, silver, jewelry, books, pictures, china and what-nots. Are you sure that you have looked over your attic thoroughly for articles for this shop and its worthy work? The proceeds which come from the sale of your articles and mine, are being devoted to the Serbian Relief work, which Dr. Alice Barlow-Brown, our own Winnetka representative is doing right over there among the Serbians. The need for help is great, and surely each one of us can do our little bit by contributing an article or two to the Shop. Stand by Winnetka's representative.
