Liquor Bandits in a Persevering Mood

Get \$1000 Loot from Home of I. A. Bennett; Three Bandits Battle with Watchman at Rosenbaum Estate

It's a persevering gang of liquor bandits which is locating the private stocks of the township. The local police department is studying the actions of the gang but due to the speed and quietness with which the raids are conducted, they have not yet been able to secure a definite clue as to their identity.

In Kenilworth, I. A. Bennett, head of the Chicago store which bears his name, returned Sunday to his home at 185 Sheridan road, after a pleasure tour in Florida. The house had been ransacked of wines and other liquors amounting to about \$1000. The steel cabinets in which the liquor was stored were completely destroyed. About a month ago the first attempt to break into the home was made. Telephone wires had been cut but the gang was apparently frightened off.

Three times a persistent gang of three bandits has attempted to secure the valuable stock of liquors in the home of Edwin S. Rosenbaum, Sheridan road, Glencoe, and night watchman George Barlow has vowed that the third raid will be fatal for the raiding party. The first time they were unable to break in but fired a

number of shots at Barlow; the second time they broke in but failed to locate the object of their search. Last Sunday night they were seen prowling close to the house. Barlow, from a second floor window, sent a rain of small shot towards the gang from his shotgun. Before the three disappeared from sight he had fired three times and believes that one of the men was wounded.

Mr. Rosenbaum has cautioned the servants of the home to take special precautions in guarding the house since the third raid. The attempt to enter the beautiful home has now taken the form of a siege and whether or not there will be a pitched battle in the next assault is a matter of conjecture.

HERE IS FINAL ANSWER TO "PROHIBITION" TAX RUMOR

Following the annual collection of personal property and real estate taxes in New Trier township by Collector Hoyt King, residents of the entire township discussed the increased tax and made various comments on the reasons for the higher rate. A great deal of comment to the effect that nation-wide prohibition was the principle reason for higher taxes reached the ears of Mrs. L. C. Norton, 370 Walnut street, actively interested in the work of the W. C. T. U. She communicated with Collector King and the following answer from his is expected to dispell all thoughts of associating the taxes with prohibition:

"The increase in internal revenue tax is due to increased valuation and expense of administration and not due to prohibition.—Hoyt King, collector of taxes in New Trier township."

Let's Get Acquainted

"Get better acquainted with your neighbor—you might like him!" That's a pretty good motto for a community like ours, isn't it? Town folks should get better acquainted with country folks; the merchants and the bankers should get to know the farmers—and how they are farming. Speaking for this bank, we'd like to get acquainted personally with every farmer hereabouts—he might like us enough to deposit money with us; we might like him enough to lend him some. Anyway, we could swap ideas—and perhaps add his name to the rapidly growing list of subscribers for

The COUNTRY GENTLEMAN

Sometimes banks get acquainted with farmers by giving good advice, or urging good roads, or organizing calf clubs among the boys. That last was the way of one whose story is told in THE COUNTRY GENTLEMAN dated March 6. And we'd like to get acquainted with you through this Great National Farm Weekly itself. We know that THE COUNTRY GENTLEMAN helps farmers all over the United States to make more and more money. It would please us to see you making more money too, so we stand ready to send in your subscription if you just say the word. One dollar buys it for a whole year—52 big, friendly, helpful, weekly issues. Get acquainted with THE COUNTRY GENTLEMAN—you're sure to like it.
