

## Boy Scout and Camp Fire Girls' Camps Well Equipped; Camp Benefit April 6

This summer is the eleventh year for camps at Hamlin Lake. This lake has about twenty five miles of shore line, inland from Lake Michigan about two miles and distant from Ludington eleven miles. The camping site is one of the best in

thirty. Boys and girls are expected to register during the month of May and one half of the camp fee must be paid at that time. The expenses incidental to going to and returning from camp will be paid for by the individual camper. This amounts to

this part of the country, the drainage and water being unsurpassed. Rev. J. W. Davies has owned his land and built buildings himself and has made possible the camp without any rental charges whatever. He built a fine new dining hall and kitchen 48 ft. long and 16 ft. wide last summer and this year proposes to build two cabins.

6:30—Rising, stretching exercises for five minutes and a dip.

### Select Leaders

Arthur M. Barrett will have charge of the construction work during the boys' camp. Other leaders have not yet been arranged for. The camp charge will be twenty dollars and the groups limited to

personal supervision to both boys' and girls' camps.

In order to provide for some of the over head camp expenses which are not covered by the twenty dollars such as cook, boat rentals and other details, and also to provide a sum for scholarships to enable some of the Boy Scouts to earn their summer outing, a benefit card party will be given at the Winnetka Woman's club on Tuesday, April 6, at 2 o'clock. Those who do not play cards can hear Mrs. Frederick Dickinson read Barrie's play "The Old Lady Shows her Medals". Mrs. Harvey Anning and Miss Katherine Green will provide a few musical numbers. The price of admission is nominal and tickets can be secured from any of the following committee: Mrs. Barrett Conway, chairman, Mrs. Eloise M. Wortley, secretary, Mrs. J. W. F. Davies, Mrs. J. D. Richards, Mrs. F. T. Crawford, Mrs. Alfred A. Freeman, Mrs. A. M. Barrett, Mrs. R. B. Mason, Mrs. C. T. Mordock, Mrs. D. K. French, Mrs. F. B. Thomas, Mrs. E. J. Allsebrooke, Mrs. L. H. ## INITIATE THREE RECRUITS INTO HOLY NAME SOCIETY

Entertainer at Monthly Session Fails To Appear, So Members Engage in Lively Discussions

The regular monthly meeting of the Holy Name society of Sacred Heart parish at Hubbard Woods, was held on Tuesday evening, March 16, at the Parish hall. A large number of members were present. The Spiritual director, Rev. F. J. Haarth, initiated three recruits. The gentleman scheduled to entertain for the evening, for some unexplained reason, failed to arrive, but sufficient

entertainment was provided by the members themselves in the discussions and the various matters that came before the meeting. There were so many motions, amendments and previous motions that Father

Haarth (an authority on Parliamentary law) had to be appealed to frequently for a decision. Everyone present admitted having had a most enjoyable evening.

**BOYS**--Tell your mother and father that you want one of our good fitting suits to wear to school. Tell them to let you come to our store and pick it out yourself. Whether they come along or not the price will be the same, and the price for the high quality will be low. Tell them that you want to begin dressing well while you are young, and that this is just as much a part of your education as studying your lessons. Promise them a high grade at school for a new suit. Wear our good "nifty" clothes

## "I Wish I Had" and "I'm a Going To"

"Wish I Had" and "I'm Going To," were members of an ordinary, every day family.

"Wish I Had" was always seeing things that he wanted, but never had the money to get them, because he had never done anything about a bank account, but "wish he had" it.

"I'm Going To" was his sister. She, too, saw many things she wanted,

and it was her real intention to have them "sometime," but always failed to get them, because when the matter of starting a bank account was mentioned, she always said, "I'm a going to," and let it go at that.

MORAL—A bank account, while not a cure all, can heal a lot of financial "aches" and "pains," and give a fellow that pleasant "easy" and "comfortable" feeling.
