## \$25.00 IN GOLD

TO THE  
LUCKY ONE

We have discovered a formula for manufacturing Ice Cream that is so delicious that no other cream will taste quite so good after eating ours.

It is made from the best and purest ingredients obtainable—in our new factory where the walls are all painted white. The building stands out in the open where the sun shines brightly and pure air circulates freely all day long—Here

in Evanston away from the dirt and smoke of the big city.

Our Ice Cream is clean, pure and wholesome, and so good that we want the best name obtainable for it.

**We will give \$25.00 in GOLD to the person submitting to us the best name in our judgment for this delicious cream.**

Entries must be in before April 15.
