### "The Central Site for a Central School"

1. Horace Mann site is the center of population and transportation.
2. Enlarged Horace Mann site with proposed additional playground will be approximately 6½ acres.
3. Offers additional playground for lower grades.
4. Enlarged Horace Mann site does not require drainage.
5. Does not require school authorities to furnish transportation.
6. Harmonizes with Village Plan Commission idea in beautifying center of village.
7. Provides central and accessible location for Kuppenheimer Memorial Hall.
8. Erection and maintenance of new school on enlarged Horace Mann site, including cost of additional ground, more economical.
