North Shore Men Establish Taxi Headquarters for North Shore At Kenilworth

Residents of the north shore will be interested to know of the organization of a first class taxi company at Kenilworth equipped to afford the utmost in transportation facilities.

The company, known as the Kenilworth Taxi Co., has taken quarters in West Railroad avenue west of the Northwestern station.

Henry Eggert, who will head the company, has studied the transportation situation on the north shore as a representative of the Standard Oil Co., in Wilmette, Kenilworth, Winnetka and Glenco. Eggert was a member of the Winnetka police department previous to his connection with the Standard Oil Co.

John McKulski, who is Eggert's partner in the venture, for years has been in charge of the Safety Signal service of the Chicago and Northwestern railway on the north shore.

The Kenilworth Taxi Co., has selected new Oakland Sixes upon recommendation of Edward Bell of the Oakland-Phillips Co., Evanston.

**"I Wish I Had" and "I'm a Going To"**

"Wish I Had" and "I'm Going To," were members of an ordinary, every day family.

"Wish I Had" was always seeing things that he wanted, but never had the money to get them, because he had never done anything about a bank account, but "wish he had" it.

"I'm Going To" was his sister. She, too, saw many things she wanted,

and it was her real intention to have them "sometime," but always failed to get them, because when the matter of starting a bank account was mentioned, she always said, "I'm a going to," and let it go at that.

**MORAL**—A bank account, while not a cure all, can heal a lot of financial "aches" and "pains," and give a fellow that pleasant "easy" and "comfortable" feeling.

 How would YOU like a raise like this?  
  
**— and for 34 Years Work**

**T**HAT is the kind of increase in salary the minister has received. His living expenses have risen just as fast and as far as yours.

But he is paid on the average just 52 cents more *per church member* than he was paid 34 years ago.

**The Minister Never Fails You**

Every officer of the Government with a war message to deliver appealed to the ministers first of all.

But 80% of the ministers receive less income than government economists figure as a minimum for the support of an average family.

When hospitals need money they enlist the support of the ministers—and receive it.

But when sickness visits the minister or the members of his family they must be treated in a charity ward. His pay is less than a day laborer's.

8 out of every 10 ministers receive less than \$20 a week—about half the pay of a mechanic.

**We Pay Him Half the Wages of a Mechanic**

And of these pitifully inadequate salaries, how much do you contribute? Nothing if you are outside the church; an average of less than 3c a day if you are a church member.

All of us share in the benefits of Christian ministers to the community. They marry us; bury us; baptize our children; visit us when we are sick. In their hands is the spiritual training of the youth.

**We Are All Profiteers at Their Expense**

Part of the Interchurch World program is this—a living wage for every minister of Jesus Christ; an efficient plant, and a chance to do a big man's job.

If you want better preachers, help to pay the preachers better. It's the best investment for your community—and for your children—that you can ever make.

**T**HERE is a decided gain in beauty in the new models. Some of them have candelectra or twin electric lamps—all have a smartness of outline that at once impresses favorably. The prices are no higher than usually asked for conventional patterns.
