

Who is Back of the Board of Education on the West Elm St. Site?

Individual members of ---the Village Council (unofficially)

"... every member of the Council as an individual is, I think, in favor of the West Elm St. site, but as a body we decided to take no action upon the question...."

from letter of the Village President John S. Miller, Jr.—see "Winnetka Weekly Talk," April 24, 1920.

---the Plan Commission

"... the construction of a centralized school on the Horace Mann site is not a part of the Winnetka Plan...."

"As the location for this school the Board of Education has purchased the twelve acres overlooking the Skokie... this site holds the promise of a school not only of great beauty and distinction but of special usefulness...."

from statement by Philip S. Post, Chairman of the Village Plan Commission—see "Winnetka Weekly Talk," April 24, 1920.

---7 Village Presidents

"... the undersigned, former and present presidents of the Village Council, believe that the residents of Winnetka should support, by their votes, the plan of the Board of Education to erect the new school upon the West Elm St. site...."
