by Ruth Risley

**A** PROGRAM of American Music will be given at the Winnetka Woman's club on Thursday, May 6, at 3 o'clock. This program which is under the auspices of the Music committee is the last of the series in "Appreciation of Music", which has been held at the club this year. Mrs. Carrie B. Prouty will sing a group of Negro Spiritual songs; Mrs. Burton Atwood will give a group of Kentucky Mountain songs; Miss Kathryn Greene will render a group of Indian songs; Mrs. Austin Jenkins will play a group of MacDowell's piano numbers; Mrs. Harvey I. Brewer will play a violin number. The accompaniment will be played by Mrs. Clifford Ewart. This meeting is open to all members and guests on payment of the usual guest fee.

The annual meeting of the Woman's Catholic club of Wilmette was held on Thursday, April 22, at the Wilmette Woman's club. The following officers were elected for the coming year: President, Mrs. Louis Crush; First Vice-president, Mrs. Wendelin P. Seng; second Vice-president, Mrs. Samuel Moore; Recording Secretary, Mrs. Albert Reichmann; corresponding Secretary, Mrs. Frank Hoffman; and Treasurer, Mrs. Vernon Patterson.

The twenty-fifth annual convention of the Illinois Federation of Women's clubs will be held in Chicago May 25 to 27 at the Congress hotel, by invitation of the Chicago Association of Commerce, and preparations are being made to have this silver anniversary meeting the most helpful and inspiring convention the federation has ever held.

The morning and afternoon sessions will be given over to routine business and to the reports and addresses from the different departments of work. The evening sessions will feature a dinner at the Congress hotel with a thousand club women with speakers of national reputation and a pageant typifying in different ways the twenty-five years of the federation's activities.

The Illinois Federation of Women's clubs was organized in Chicago in 1894 through the influence of Mrs. Charles Henrotin, who was then president of the General Federation of Women's clubs.

During these years the women of the federation have taken an active interest in every undertaking for the general welfare of the people of the state, especially for the women and children, and in many instances they have instituted reforms. Among the many things in which they have been particularly interested may be mentioned the civil service laws, the lib-

the social and industrial conditions. They have built and maintained a cottage at Park Ridge for the support of girls who need such a home and such training and they are now well along in the raising of the \$50,000 maintenance fund for its support.

The annual luncheon of the North Shore Catholic Woman's league will be held on Wednesday, May 5, at the Evanston hotel at 12:30 o'clock. Mrs. Robert McColl will act as toastmistress and the guests of honor will be Mrs. Edward Hines of Evanston, Mrs. Charles Ware of Ken-

worth, president of the Tenth District Federation of Woman's clubs, Mrs. Louis Crush, president of the Wilmette Catholic Woman's club, Rev. F. J. Haarth of Hubbard Woods, Rev. J. J. Lannon of Wilmette, and Rev. H. P. Smiyth of Evanston. Rev.

Nicholas Kremer of Wilmette will be the speaker of the day, and there will be musical numbers by Mrs. Frank Farnum of Chicago, soprano. Mrs. Frank H. Jones of Wilmette is the incoming president to succeed Mrs. Frank Maloney of Winnetka.
