

## Congress May Adopt Local Legion Plan

Appears To Favor Portion of Resolution Unanimously Passed by Local Legion Post

When the bonus question first arose in Congress, the Winnetka Post of the American Legion voted unanimously against the idea of a cash bonus. Following this there was a unanimous vote taken by the Post in favor of universal training. Congress has seen fit to put aside the universal training and is now to settle the bonus question. During March the Winnetka Post drew up a resolution which advocated the following ways in which it believed Congress should give aid to ex-service men and in what order it should be given.

The following two things should be cared for first of all.

1. Permanently provide for disabled soldiers.

2. Commission to aid financing special cases of ex-service men.

After these two, then provide one of the following:

1. Land settlement.

2. Home aid to assist in purchasing homes for ex-service men.

3. Increased exemption from income tax.

### Paid Up Life Insurance

Congress at present seems to favor offering either a cash bonus of \$1.25 a day or a certain amount of paid up life insurance policy the plan of which has not been announced.

Mr. and Mrs. Raymond Durham have moved from 849 Lincoln avenue, to 808 Auburn avenue, Hubbard Woods.
