

### Scout and Camp Fire Exhibition Success

Winnetka Camp Fire Girls and Boy Scouts Give Delightful Entertainment Here

Winnetka Boy Scouts and Camp Fire Girls united in giving a most delightful evening Wednesday to a large audience assembled in the gymnasium of Community House for the benefit of the Scout and Camp Fire Girl's summer camps at Lake Hamlin, Michigan.

The Scouts gave an exhibition of knot-tying, signalling, first aid work and other activities. Merriment was occasioned by the O'Grady drill down which proved William Miller the winner. In the knot-tying contest Cabray Wortley won first prize. Burton Atwood gave an interesting account of the wireless station at Community House and what Scouts were doing in connection with the device. There was a Scout initiation and tenderfoot examination. Samuel Dean and Stuart Boal were made Tenderfoot Scouts. Ayres Boal, Jr., was made First Class Scout. In the signalling contest Cabray Wortley sent a message to Richard Goble at the rear of the auditorium by International Morse code. Stanley Wheatley sent a message to Philip Eisendrath by semaphore code. Both messages were received.

The Camp Fire Girls gave some beautiful tableaux and a good dramatization of the Camp Fire laws, and sang one of their Camp Fire songs. A Ceremonial was given by girls from each group led by the Guardian, Mrs. Harry P. Clarke. Each of the five Winnetka Camp Fire groups contributed something illustrative of Camp Fire activities.

A brief motion picture was shown of Winnetka Scouts in action, and

work with the Scout ambulance. J. W. F. Davies, director of Community House, gave an interesting illustrative talk on the Winnetka Summer Camps. The proceeds of the entertainment will be for the benefit of these camps at Lake Hamlin, Michigan.
