

CAMPUS PLAYERS SCORE AT NEW TRIER THEATER

Northwestern University Dramatic Organization Puts on "A Successful Calamity"

To break your engagement at 8:30 and become betrothed to another man by 9 o'clock of the same evening may seem to be rushing things a bit, but it is nothing to Miss Dorothy Carney, who plays the ingenue role in "A Successful Calamity," which was presented at the New Trier auditorium Friday evening by the University Campus Players. She does it at every performance and with a skill so charming as to make the sensation of being jilted a pleasant one, even to the rejected suitor.

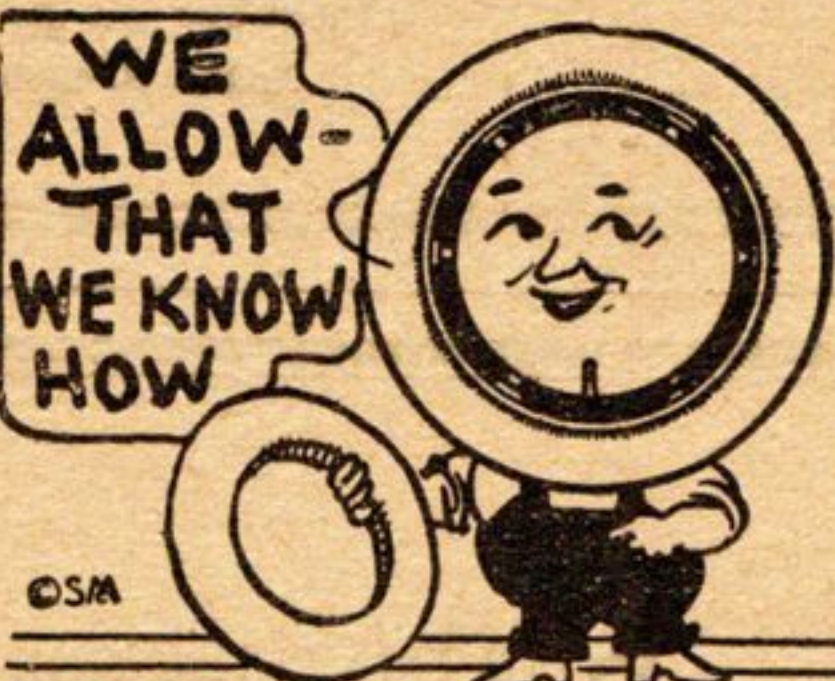

The leading feminine role was carried by Miss Frances Kieth, who played the part of the young wife of an over-tired millionaire. This was not Miss Kieth's first appearance in amateur theatricals, as she played the leading part in "Stop Thief" last year and also a minor part in the downtown production of "Within the Law". The play was staged for only one performance, playing this evening in Rockford. The college players have in their vehicle a production which is a mirth provoker and which sparkles with funny situations and droll lines. Others who play important roles are Donald Conzett, Harry Grove, Maurice O'Brien and Ted Hatfield. The play is being staged under the direction of Mrs. Blanche Bannister Arnd.

CAMP FIRE GIRLS PLAN CAMP BENEFIT INFORMAL

Does Your Suit please HER?

A man owes it to his friends and to himself to dress well. Your wife, mother, father or brother are prouder of you when you are well dressed. Your sweetheart prefers it, and your boss, maybe, is kept back from advancing you, because you don't "look the part".

Try dressing better and see if it doesn't PAY YOU.

We will make the good clothes for you and fit your body and your pocketbook.

Fine furnishing and hats.
