Editor's note: The editor regrets deeply the error referred to in the above communication. In explanation may it be said that the error was typographical in character in interpreting "Fr" as "Frederick" instead of "Father". The error was, unfortunately, overlooked by the proof-reader.

Hubbard Woods, Ill.  
May 13, 1920.

The Editor,  
Winnetka Weekly Talk,  
Dear Sir:

The Holy Name society at their monthly meeting held on Tuesday evening, 11th inst., at the Parish Hall, Hubbard Woods, passed a resolution strongly condemning the manner in which you published in your issue of the 24th ulto., the proceedings of the annual banquet of the society held on April 12th.

Your action in referring to the clergymen who addressed the meeting as "Frederick" Haarth and "Frederick" Kramer exhibits in the

opinion of the society, poor taste (both reverend gentlemen being well known to you) and has been the subject of unfavorable comment by subscribers to your paper in this parish.

Respectfully yours,  
Holy Name Society,  
By P. P. Martin,  
1255 Asbury avenue.
