

### Facts About Hoover

(By Campaign committee Hoover for president club at Winnetka.)

Herbert Hoover was born in 1874 at West Branch, Iowa. He was left an orphan at 6 years of age and went to live with relatives in Oregon. When he was 14 years old he began to support himself and entered Leland Stanford university in 1891. He worked his way through the university and graduated as a mining engineer. He worked as a common miner and gang foreman in Nevada for one year and then became a clerk in the office of a California mining engineer.

He married Miss Lou Henry, a graduate of his own university.

The years between 1897 and 1914 he spent in mining operations all over the world but maintained California as his legal residence and last voted there—the Republican ticket—in 1912. In 1916 he did not vote because he was then doing Belgian Relief work in Europe. He became a member of the New York Republican club in 1909 and is still an active member of that organization.

He was appointed United States Food Administrator in 1917.

In 1919 the Allied and Associated Powers appointed him director general of Relief and he organized the American Relief Administration.

From December, 1919, to March, 1920, he acted as vice-chairman of the second Industrial Conference in Washington. This service, supplemented by his previous great experience, has given him a close knowledge of industrial conditions in the United States.

Charles E. Hughes has said of Hoover:

"The Americanism of Hoover is shown in every deed, in every utter-

ance. His achievements dignified the nation and established prestige for the American name abroad which none of the failures of diplomacy can obscure. He bears a name illustrious because of his remarkable achievements; but, best of all, it is a name untarnished, expressive not only of exceptional ability but of the simple life of a modern citizen."

A Hoover mass meeting will be held at the Chicago Woman's club, 410 S. Michigan avenue, Wednesday, May 26, at 3 o'clock. A similar meeting will be held in the same place for business women in the evening at 8 o'clock.

Mr. and Mrs. James A. Morley of Winnetka have moved to 4941 Calumet avenue, Chicago.
