THE VOICE OF THE DOVE

Come listen, O love, to the voice of the dove,
 Come harken, and hear him saw,
 There are many tomorrows, my love, my love,
 There is only one today.
 And all day long you can hear him say
 This way in purple is rolled,
 And the baby stars of the milky way,
 They are cradled in cradles of gold.
 Now what is the secret, serene gray dove
 Of singing so sweetly away?
 "There are many tomorrows, my love, my love,
 There is only one today."
 —Joaquin Miller.

Discuss Big Highway Along Drainage Canal

Village Officials Attend Important Session in Chicago To Talk over Plans For Improvement

Bankers, hotel owners, real estate operators, village officials, mayors of Evanston and Joliet, prominent business men, truck farmers and others interested in good roads and the improvements of transportation facilities expressed their views as to the necessity and desirability of the construction of suitable roads along the main and north shore channels of the sanitary district of Chicago at a meeting of the district's trustees Thursday afternoon. The meeting was held in Room 700, 910 South Michigan avenue, Chicago, and one of the important subjects discussed was a plan for the development of a through thoroughfare connecting Joliet with Wilmette. The discussion in Chicago is to be preliminary to preparation of actual plans for improvement along the drainage canal.
