UNDERSEA FILM AT COMMUNITY HOUSE

the Sea" To Winnetka on Wednesday, June 9

The Winnetka Boy Scouts on Wednesday, June 9, will present the extraordinary film, "The Girl of the Sea". This picture is the work of the Williamson brothers who were the producers of "20,000 Leagues under the Sea" and "The Submarine Eye".

In "The Girl of the Sea" more than 3,000 feet of wonderful undersea potography are shown. Not only does the picture depict life at the bottom of the ocean but is replete with startling incidents, such as a fight between a deep sea diver and a giant octapus and an encounter of a group of men in a life boat with a giant octapus.

The Williamson's were fortunate in obtaining the services of Betty Hilburn to assume the leading role. Some of her stunts under water are truly remarkable. In one of the scenes she dives to the bottom of the sea to go to the rescue of her sweetheart who is entangled in the coils of a giant octapus.

In addition to excitement and Sunday, June 20, will be a red thrills the film possesses a distinct educational value.

The performance will be at Community House in the afternoon at 4 o'clock and in the evening at 8

TRAFFIC DELAY

Work in replacing the tracks on the Chicago, North Shore and Milwaukee railway continued this week north of Indian Hill. Some delay in north-bound traffic is occasioned because of the use of a single track through the village. It is expected the work will be completed within a few weeks.

X/E HAVE had a great number inquire if we were open on Thursday afternoons.

We would like everyone to know that we are open Thursday afternoons until the usual closing time, 6:00 P. M.

Pay Up! Warning to All Tax Delinquents

Chief of Police in Final Warning To Those Who Have Not Paid Up Dog and Vehicle Tax

"Stop! Look! and Listen!" is Chief of police W. M. Peterson's warning to Winnetka tax-payers who have failed to comply with the law in regard to the payment of dog, automobile, and other vehicle licenses.

Payment on these items was due in May but a number of citizens have been guilty of procrastination, thus occasioning extra work for the police and possible inconvenience to themselves.

Residents who fail to pay these licenses will be subject to call into court to give reason for delinquency. Failure to comply with this measure of the law makes the delinquent subject to a heavy fine, it is

Chief Peterson, it appears, has displayed leniency in this matter and it is expected those who have not met their obligations in this regard will hasten to pay up at the village hall.
