REAL ESTATE INTERESTS TO FORM ORGANIZATION ON THE NORTH SHORE

Brokers of Wilmette, Kenilworth, Winnetka and Glencoe To Join Hands To Rid North Shore of "Certain Evils"

Real estate brokers of Wilmette, Kenilworth, Winnetka and Glencoe at a meeting Monday evening, June 14, at the offices of Hill and Wheeler, Winnetka, took the preliminary steps in what promises to be one of the strongest organizations on the north shore, an organization of real estate interests having for its purpose mutual benefit and protection, and promotion of the north shore as one of the most ideal residence districts in the United States. All leading real estate firms of the north shore were represented at the preliminary session when the temporary organization was formed with C. T. Northrop of Winnetka selected as temporary chairman and Mrs. Stone of the Hill and Stone Real Estate brokers, temporary secretary.

Meet Next Monday

Permanent organization was expected to be concluded at a meeting to be held at the Hill and Wheeler offices in Winnetka Monday evening, June 21, when the purposes of the organization will be discussed in detail and, it is expected, permanent officers will be elected. A committee on Name and By-laws will report at this meeting.

Genuine interest was displayed Monday evening in a review of the possibilities of an organization of the real estate interests of the north shore. Emphasis was laid upon the fact that such an organization did not bear as its purpose the promotion of private enterprise or to boost real estate schemes but, on the contrary, was launched for the express purpose

of establishing honesty and fair dealing in the real estate brokerage business of the north shore, by eliminating "certain evils" now obtaining in the business in this vicinity.

Boost Civic Enterprises

That a strong organization of real estate interests is one of the main assets in any community, or group of communities, has been demonstrated in thousands of instances throughout the country. Such bodies have been the outstanding promoters of civic improvements and active supporters of zoning and city beautiful enterprises. It may be taken as a matter of course that an organization of real estate interests on the north shore will maintain the excellent reputation established by similar bodies in thousands of centers in every section of the United States. The proposed north shore association is expected to receive voluntary endorsement of village officials in every community represented and to meet with the hearty approval of the citizens in all of the villages.

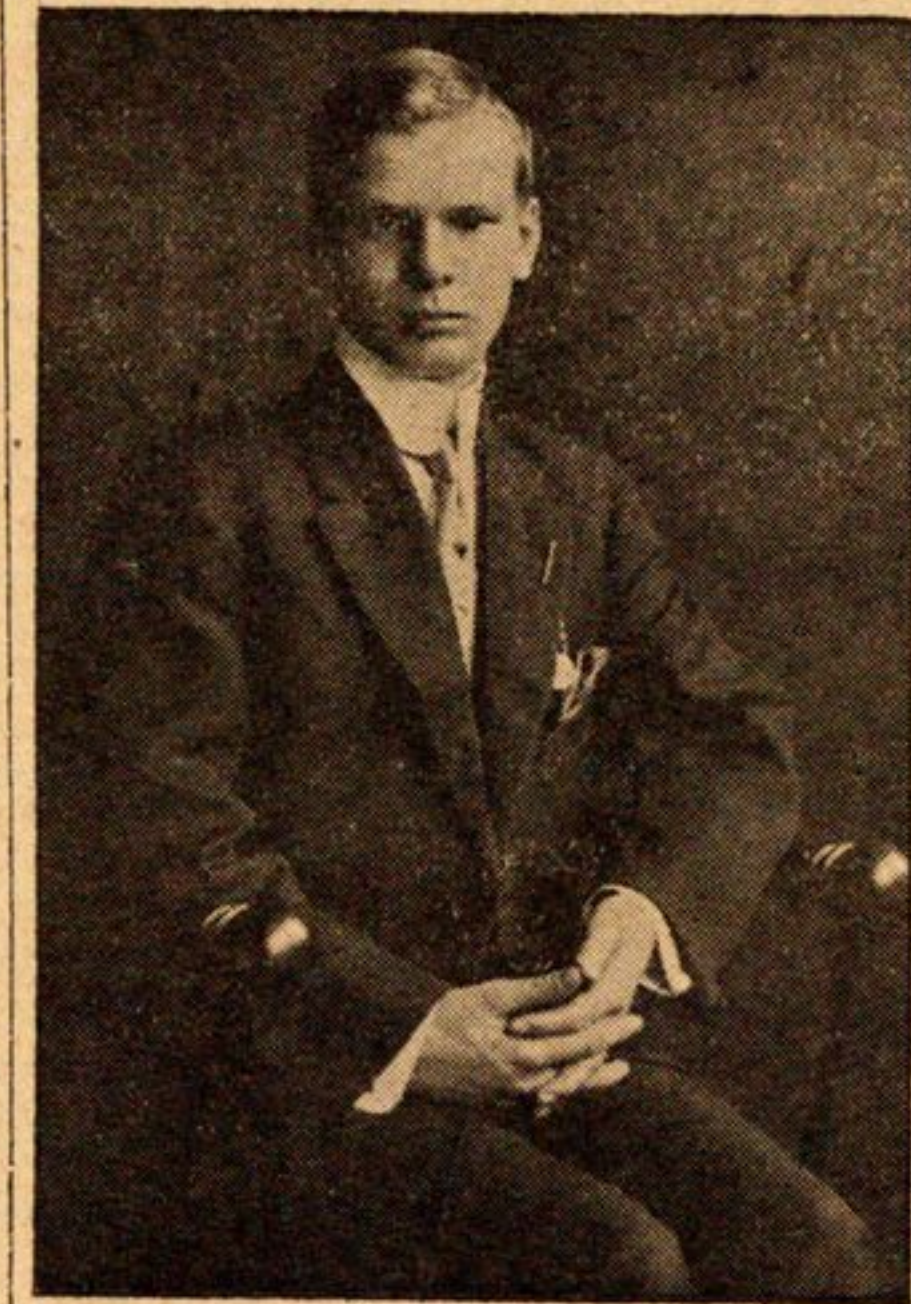

Many Firms Represented

Real estate firms represented at the Monday evening meeting were: Hill and Stone, Hill and Wheeler, M. L. Moody and Company, P. W. Bradstreet, M. E. Barker and Company, Frank A. Reid, McGuire and Orr, Delaney, Johnston, Franklin, Thomas, A. R. Eddington, Wilmette Realty Company, Woodcock Construction Company, C. T. Northrop, Terry and Murray

BLIND BOY ACHIEVES UNUSUAL DISTINCTION

Clarence Richardson Is Expert Stenographer and Talented Musician; Plays Five Instruments

Clarence Richardson, son of Mr. and Mrs. Fred Richardson of 730 Elm street, is an example of perseverance of young America under serious and pathetic circumstances. Clarence is stone blind. When he

was six years of age he was struck in the eye by an apple core thrown by a companion. The accident robbed him of his sight, but he has persevered. Today he is recognized as a musical genius and, as though that were not sufficient achievement, even for a person with the sight of both eyes, he has become an expert stenographer now employed at the State Hospital at Packer'sville, Florida, as well as a talented musician.

Here are some of young Richardson's achievements in music. He plays with consummate skill the piano, violin, organ, cornet and saxophone. He is leader of the band at the Florida State Hospital for the Blind and is chief musician of the hospital.

Recent honors bestowed upon this genius of less than twenty-one years of age are disclosed in the following extract from the Jacksonville Journal:

A Genius Promoted

"A short time since the Journal mentioned the work of Clarence Richardson, graduate from the State School for the Blind, a musical genius and stenographer at the Jacksonville State Hospital.

With a laudable desire to aid a worthy young man and use the talents possessed by him to the best advantage Dr. Hill, superintendent of the hospital, has undertaken to have a band composed of patients and under the leadership of young Richardson who will also have the position of chief musician of the great institution. The benefit this will be to the patients is easily seen and at the same time it is a worthy acknowledgement of true musical genius and it will be gratifying to all the friends of the young man thus promoted."

GET INTERESTED IN WINNETKA PLAYFIELD

Sunday Events of Interest to Every Sport Lover in the Village; Join Now

Golf for the Winnetka Playfield association members Sunday, June 20, include Ball Sweepstake, 18 holes, Medal play, handicap. The entry fee is one eighty-five cent golf ball. The event is open only to members of the association.

Any resident of Winnetka may become a member of the Winnetka Playfield association by paying the annual dues of one dollar. The membership is purely voluntary and it is not necessary to be a member to enjoy the privileges of the golf course, tennis courts, etc. The objects of the association are to promote the use of the parks and playgrounds of the village for golf, tennis, baseball, and other sports subject to the regulation of the Park commissioners. The association will co-operate with the Park Board by informing the commissioners of desirable improvements, new use for the park grounds and similar invocations. The association is the country club of the village. It is the only Municipal Athletic organization on the north shore offering facilities free of charge to the citizens.

Mr. and Mrs. Hollister will be at home at 310 Walnut street.

NOTHING GOING ON

Affairs at Community House have gradually dropped off for the summer months. Forthcoming events of interest are the July flower shows. The season is yet too early to make preparations for these shows. The dates will be announced later in the Weekly Talk.

Miss Marjorie Buhner, daughter of Mr. and Mrs. Stephen Buhner of 398 Elder lane, is spending the summer in New York at the seashore.

Girl Struck By Auto; Chief Issues Warning

Dorothy Flynn Painfully Injured When Struck by Delivery Truck Tuesday

Little Dorothy Flynn, daughter of Mr. and Mrs. Theodore Flynn is suffering painful injuries sustained Tuesday afternoon when she was struck by an auto truck driven by Francis Kranze, florist, at Spruce and Locust streets. A ragged fender on the machine slashed the little girl's right knee and caused serious lacerations. She was attended by Dr. Levick and later taken to her home. She was later removed to the hospital, it was said.

The Flynn girl was walking across the street intersection when struck by the light delivery truck.

While the accident was considered unavoidable and Kranze was not held by the police, the incident brought sharp criticism from Chief of Police W. M. Peterson and led him to issue the following statement to the residents of the village:

"Since early in July, 1919, every accident in the village similar to the case of little Dorothy Flynn, has been perpetrated by Winnetka automobile drivers. During that long period not a single outside motorist has been guilty of striking a pedestrian in the village. On the other hand there have been numerous accidents of this nature in all of which the drivers were Winnetkans.

"This is proof positive that the reckless automobile drivers through the village are not from other parts, but our own citizens. Every accident has involved an owner of a Winnetka car.

"This is very apparent recklessness and wanton disregard for the safety of the pedestrian and must be halted immediately.

"Motorcycle policemen and patrolmen have received definite instructions to arrest every violator of the traffic regulations of the village and to deal summarily with promiscuous violators of the speed laws.

"Drivers are not permitted to exceed 15 miles per hour at street intersections in any section of the village.

"This letter is written in the interest of the safety of the walking public of Winnetka.

Signed W. M. Peterson, Winnetka Chief of Police."

VILLAGERS ENTHUSED IN SCHOOL CAMPAIGN

One Hundred New Subscribers Listed During Week; Many Make Sacrifices To Swell Building Fund

NOT ENOUGH SOLICITORS

Individuals Display Enthusiasm But Workers Find Difficulty in Canvass

As the campaign for the new school fund draws toward a close, a new spirit of enthusiasm is beginning to manifest itself. A chauffeur who subscribed \$10 one day called up the next day to raise it to \$50. Two business men raised their subscriptions from \$350 to \$1,000; another raised his from \$500 to \$1,000. Window cards began to appear in all parts of the village. The only thing which is retarding the campaign, according to the zone captains, is the lack of a sufficiently large number of solicitors.

Over one hundred new subscribers and about \$19,000 additional in subscriptions were the result of this week's canvass of the Village.

STRUCK BY AUTO TRUCK; INJURIES PROVE FATAL

Driver of Truck Freed on Bail After Machine Fatally Injures Little Girl

Little four year old Betty Weinstock, who lost her life Saturday as the result of an automobile accident, was laid to rest by her parents, Mr. and Mrs. Earl L. Weinstock, Tuesday, at Rosehill. Funeral services were held at the home, 850 Pine street, at 2:30 o'clock Tuesday afternoon.

Betty Weinstock was fatally injured Saturday evening when struck by a huge automobile truck on Washington near Ridge avenue, Wilmette, nearby where she was visiting some of her little friends. She suffered a fractured skull and died a few hours later at the Evanston hospital.

William Nugent, of Evanston, driver of the truck, is at liberty on bail, charged technically by the Wilmette police with "assault with a deadly weapon". He will appear for trial on July 2, the date of the postponed inquest.

FRANK HEINIG, PIONEER, BURIED HERE WEDNESDAY

Was For Many Years Active in Civic Life and Educational Circles of North Shore

Frank Heinig, resident of Hubbard Woods for the past forty years, died at his winter home in Magnolia Springs, Alabama, on May 29. Funeral services were read at the home, 782 Center street, Winnetka, on June 2, by the Rev. Rudolph John with interment at Rosehill.

Mr. Heinig lived to be seventy-five years of age. In his earlier life he was active and always interested in the welfare and improvement of the village and it was through his efforts that the Columbia school in Hubbard Woods was built many years ago this school being later taken over by the Winnetka School Board. Mr. Heinig was well known here.

NO FIREWORKS JULY 4

Prohibition of the discharge of fire arms and the use of any type of fireworks on July 4 and 5, provides the subject of a proclamation issued this week by Village President John S. Miller, Jr.

Copies of the proclamation, which is issued each year at this time, are posted in every section of the village. Heavy penalty for violation of this law awaits careless miscreants.

Miss Edna Harry, 985 Elm street, will enter Chicago University summer school on Monday morning.
