ROYAL CORD RECORD
Three years on United States Royal Cord tires is a record reported by Frank McComb of Stafford, Kansas. "During this time," says Mr. McComb, "I have made two trips to Colorado Springs, going up Pike's

Peak and taking in all the mountain drives around there and Denver, I then went to Cheyenne and back over the Lincoln Highway through Nebraska. Last fall I drove to San Francisco, going out by way of the Santa Fe trail, and returning over

the Borderland trail. The road as a whole was very rough and rocky."
