

**PUBLIC SCHOOLS SUMMER SESSIONS BEGIN MONDAY**

**Children Afforded Opportunity For More Rapid Progress in School Work**

A summer session of the Winnetka Public schools will open in the Horace Mann school Monday morning at 9 o'clock. As in the past this session will be for the morning hours only—nine to twelve—and will run through four weeks. The tuition will be \$6 for the term.

Children will receive instruction in the common branches—arithmetic, language, writing, geography, history, upper grade grammar, etc. The summer school is open to any children between the ages of seven and fifteen, who have had at least one year of school work. Pupils wishing to make more rapid progress in school or to make up deficiencies or weaknesses in their previous work are taking advantages of the summer session.

The upper grade group will be taught by Miss Lucille Rossen, the lower grades by Miss Ruth Jacobs, both regular teachers in the Winnetka Public schools. The work will be on the individual basis, as is all the work in the Winnetka Public schools. It will be under the supervision of Superintendent C. W. Washburne.

**WINNETKA DROPS CLOSE GAME TO GLENVIEW NINE**

Winnetka's Triangle club baseball team lost to Glenview Sunday, 6 to 5, in eleven innings of tight playing. Hanselmann was the hurler for the locals while Rugen did mound duty for the country fellows. Jack Woods was the star of the game. His constant stellar work has attracted wide attention on the north shore and, it appears, he is due for big honors on the diamond.

Winnetka plays at Foster field, Evanston, Sunday, June 27, the Evanston North End nine providing the opposition.

**BARRICADE STREET NEAR HOME OF PHILIP S. POST**

Philip S. Post, 475 Maple avenue, prominent Winnetkan and former president of the Winnetka Men's club, was reported "holding his own" in his critical illness. Mr. Post was taken ill two weeks ago and is suffering a severe attack of pleurisy.

The entire block near the Post residence has been barricaded because of Mr. Post's serious condition.

**CALLED EAST**

Mr. and Mrs. Merritt Lum, 862 Foxdale avenue, was called east late this week by the death of Dr. Frank Brown, Mrs. Lum's brother-in-law, at Brooklyn.

**BATHING BEACH OPEN—CHILLY**

Though the village bathing beach has been opened for the season the spot was not particularly popular with the bathers this week, the chilly weather off the lake being the obvious reason. Everything is in readiness, however, for the approach of real summer weather which appeared to be coming with the weekend.

**SPEEDER FINED**

Herbert Neilson, 945 Sheridan road, Hubbard Woods, was arrested for speeding on Sheridan road, Evanston, this week and paid a fine of \$5 and costs.

The case against J. R. Hudson, 211 Franklyn road, charged with speeding on Sheridan road was dismissed.

**Unless a Bank is More than a Mere Commercial Machine**

UNLESS it is more than simply an institution for paying dividends to stockholders; unless it is imbued with a real spirit of public service and a desire to be a *constructive and upbuilding force* in the community—then it is falling far short of what a bank should be

While this bank, like all banks, must be operated for profit, it does not for one moment lose sight of its higher duties to its customers and to the public.
