

Social Happenings in Winnetka & Hubbard Woods. by Ruth Risley

ON WEDNESDAY, July 15, the annual midsummer picnic luncheon and social gathering of all friends and subscribers will be held on the beautiful grounds of Arden Shore. Everyone is urged to come who is interested in seeing in full operation this delightful summer camp for mothers and children. Bring box luncheon and join in meeting the superintendent and nurses and all who are connected with this truly great work of benefiting the mothers and children of Chicago who can gain rest and recreation and summer breathing spells only through such channels as these. Automobiles will be at the Arden Shore station of the North Shore electric from 12:15 to 12:45 p. m. to meet all who come by trolley and carry them to the camp and grounds. A local trolley car leaves Wilmette at 11:28 arriving at Arden Shore station at 12:23.

It is earnestly hoped that there will be response from many interested friends to this urgent invitation to come and see for themselves what Arden Shore is accomplishing. Let anyone who has used clothing or toys or other useful articles not needed at home, bring them along on that day to give to the camp and see to what good purpose they will be turned.

The entertainment takes place at 3 o'clock.

VILLAGE OFFICIALS SOLVE TRANSPORTATION PROBLEM

Prevalent extreme emergency in transportation led to a request by village officials this week for permission to have road building material brought into the village over the right of way of the Chicago, North Shore and Milwaukee Electric railway. The formal request was made to the Village of Glencoe.

Hauling of material into the village in this manner will permit completion of paving on Gordon Terrace, Winnetka avenue, and work on numerous sidewalk jobs.
