

### ARDEN SHORE SEEKS CLOTHING FOR POOR

Leaders of Camp Opened July 1 with 500 Guests in Attendance, Issue Stirring Appeal for Contributions

Arden Shore, the rest camp situated at Lake Bluff where the women and children of the Chicago tenements are afforded a few weeks quiet and recreation and, at the same time, are taught some of the better methods in the care of their homes and families, opened on July 1 with an attendance of over 500 for the first camp.

Arden Shore is supported by public subscription in the villages of the north shore. Winnetka always has been a leader among the towns in contributing to the success of this remarkable charity venture. In view of this fact readers of the Weekly Talk will be particularly interested in the accompanying appeal issued this week through these columns.

These are busy days at Arden Shore, Lake Bluff, where mother and children of the Chicago tenements are afforded a few weeks' rest and recreation each summer. The camp opened for the summer vacation work on July 1 with an attendance of 500 women and children who are all enjoying to the utmost their delightful vacation in this pleasant spot.

#### Clothing For All Ages

Many of these people have but a scanty supply of clothing and are very grateful for the garments that are supplied by the people of the north shore from their store of old clothing. Clothes for all ages from the smallest baby to the most wrinkled old grandmother are needed. Any number of shoes can be used and clothing for children between the ages of 5 and 12 is especially desired. Sweaters or coats are appreciated on the chilly mornings when anything from an old fur to a pillow slip is used to wrap the children in until a hot breakfast and plenty of exercise warms the blood.

Blankets are expensive these days and old ones can be used nicely to help out. Also ragged comforters can be made over into small ones for the babies' cribs. The little tots like to be wheeled around in baby carriages too, and the supply is never equal to the demand. There are never enough toys to go around when the weather is too bad to permit play outside.

#### Need Sewing Machine

A sewing machine and chairs are needed for the beach sewing pavilion and bathing suits are always at a premium.

Has anyone an old stereopticon he would be willing to give or lend to the camp? We have the offer of many beautiful slides, but no way to show them. On rainy evenings an entertainment of this kind is much appreciated.

Anyone having things to contribute is requested to call Miss Edna Lewis, 908 Central avenue, Wilmette, phone Wilmette 1208, and the articles will be called for.

#### Hold Basket Picnic

One of the delightful basket picnics will be held at the camp on Wednesday, July 14, at 12 o'clock. Pack a basket and come up and see the camp in operation. Everybody is invited.

### ASK COUNCIL WITHHOLD AN ASSESSMENT CONFIRMATION

Residents Near Skokie View and Winnetka Heights Sub-Divisions Make Formal Protest

A request by property owners in the vicinity of the Skokie View and Winnetka Heights subdivisions that the Village withhold confirmation of special assessments for water and sanitary sewers in these subdivisions, brought no action from the council at the regular session Tuesday evening.

Council members suggested that the question be taken up by the property owners affected by the proposed assessment and some plan formulated whereby all would be dealt with fairly and impartially.

William S. Elliott headed the group of property owners who requested the withholding of the council confirmation. It was their contention that, since their homes were already provided with water and sewer arrangements for which they had already been assessed, it was unjust to request an assessment in the instance of the proposed new water and sewer work from which they were to derive no benefit, particularly in view of prevailing excessive costs. On the other hand property owners in the new sub-divisions feel they are justified in asking water and sewer arrangements for their homes.

Those affected by the situation will be forced to await the public hearing in the courts.

### DEATH OF MRS. R. L. ALTON SEVERE SHOCK TO FRIENDS

Funeral services for Blanche Day Alton, wife of Robert Leslie Alton, and leading Winnetka society matron of the younger set, were held Wednesday, July 7, at 2:30 o'clock at Christ church. Burial was private.

Mrs. Robert Leslie Alton died Monday, July 5, in St. Luke's hospital of cerebral meningitis. Mrs. Alton was one of the most popular of the younger matrons in Winnetka and Chicago society. Before her marriage last October she was Miss Blanche MacLeish Day, daughter of Mr. and Mrs. Charles Lewis Day of 454 Sheridan road. Mrs. Alton was a Vassar girl. She was graduated from that college with the class of 1918.

#### GET AFTER DELINQUENTS

Chief of police W. M. Peterson and his worthy assistants are busily engaged in checking up delinquent vehicle taxpayers. The police are conferring a favor on the slow payers in that they are at liberty to make arrests without further notice. A call is sent out from the cillage offices asking those who have not met their obligations in this particular to attend to the matter without further delay.

### TO MEET JULY 15 IN CHICAGO-MARNE DAY

Chicago—"Marne Day," Thursday, July 15, the anniversary of the second battle of the Marne, will mark the opening of the first annual convention of the Society of the Third Division (regulars) at Chicago.

July 15 is designated as "Marne Day," the day on which the Third Division stopped the onrush of the enemy in the vicinity of Chateau-Thierry and helped materially to make the second battle of the Marne the Gettysburg of the war.

This date commemorates one of the brightest pages in the history of the American army, in which the Third Division, the Marne Division, achieved immortal fame and made good the statement of its commander (Major-General Joseph T. Dickman), who, when asked by the commander of the French Corps if he thought his troops would stand, replied: "Nous resterons la" (We will remain there).

The Society of the Third Division was organized while the Marne men were guarding the Rhine, and has nearly 85,000 members scattered in all parts of the United States. Branch societies have been organized in many of the larger cities. National headquarters are located in the

## The Merchant Who Asks the Most People to Buy, Sells to the Most People

The merchant who asks only those who come to his store is robbing himself

Through his local paper he can easily ask everybody who lives in his community to buy, and if he does it consistently the majority will respond

Advertising is nothing more or less than asking folks to come to your store and buy, telling them about the goods you handle

If you invite them cordially enough and often enough and make them realize the merit of your stock and prices then they will cheerfully respond to the invitation

Don't fool yourself by thinking you can accomplish much by putting an advertisement in one issue and then dropping out for three or four. That's not Real advertising.
