

EVANSTON REALTORS BACK REALTY BOARD

Evanston Real Estate Board Promises Fullest Co-operation To North Shore Real Estate Board

WOULD WORK FOR ALL

North Shore Realtors Offer Active Support To Bring 1921 Real Estate Meet To Evanston

Real estate men, affiliated with and representative of the recently organized North Shore Real Estate board, attended a session of the Evanston Real Estate board Monday evening and received assurance of the hearty co-operation and support of the Evanston organization, now one of the largest real estate boards in Illinois.

At the Monday evening session President J. W. Work of the Evanston board promised "co-operation to the fullest extent" to the new body on the north shore. Mr. Work, Harper Payne and Dwight S. Bobb of the Evanston board attended a recent meeting of the north shore organization upon invitation and outlined some of the aims and possibilities of such an organization on the north shore.

State Objects

These objects and aims may be summed up briefly as follows:

To establish and standardize the business of real estate brokerage, so that it shall obtain and hold the confidence and respect of both owners and purchasers.

To maintain the dignity and responsibility of its members as a duty to the public; to institute rules for uniform commissions, customs and practices so far as may be reasonable; to cultivate good fellowship among its members in their business of buying, selling, renting, and loaning money on real estate.

To provide an organization of effort for adequate and economic civic development; to procure just and even taxation; to promote such a system of law and administration as shall protect the citizens, encourage industry and attract the desirable population to which conditions on the north shore entitle the residents.

To especially guard and advance the interests of real estate ownership and leaseholds, and to devise, advocate and support legislation calculated to improve the villages.

The North Shore Real Estate board promised its active support in bringing to Evanston in 1921 the state convention of real estate boards.

The North Shore Real Estate board

includes real estate agents from Wilmette to Glencoe. The following officers have been elected: President, C. T. Northrop of Winnetka; vice president, C. E. Wheeler of Hill and Wheeler; secretary-treasurer, Mrs. E. R. Stone of Hill and Stone.

Telephone Company to Enlarge Evanston Plant

Superintendent Henry B. Gates Announces \$40,000 Addition To Evanston Building

Application for a building permit to erect an addition to their present building at 1520 Chicago avenue, Evanston, at an approximate cost of \$40,000 has been made to the building department of the city of Evanston by the Chicago Telephone Company.

The addition will be in the form of a second story construction of their present two-story building and will be used to house the additional equipment necessary to handle the ever increasing business of this district.

"We are up to the limit that we can handle with our present equipment already," said Henry B. Gates this week, "and we have to expand. We will have additional switchboards and equipment in the new addition which will enable us better to handle our business."

Mr. Gates, Superintendent of the Evanston district, resides at 1014 Lake avenue. He is also president of the New Trier Commercial association and formerly president of the Village of Wilmette.
