

## Activities of North Shore Clubs

by Ruth Risley

**O**N THURSDAY afternoon, July 22, the Children's program at Ravinia Park will begin at 3 o'clock and will open with Community singing led by Miss Florence Crane and to be followed by Mr. and Mrs. Marx Oberndorfer who will interpret the orchestral number to be played by the orchestra on this day. It is very interesting to see how quietly the children sit and how intensely interested they are in the music after they have been told what to listen for and the story the music is trying to tell them. The attendance has been fine but every child on the north shore should be given this wonderful opportunity of increasing its knowledge and love for good music. It is a privilege that does not come within easy reach of many communities. All children under 14 years of age are admitted free and all seats are free to both adults and children on Thursday afternoons.

The last half of the program will be given by Robert Wassman, a magician. For several years the children have been thrilled by the wonderful tricks of a magician. This ought to be one of the very best performances of the kind.

The Children's pageant will take place Thursday, August 5. This will be one of the gala days at Ravinia for the children.

The concert Saturday afternoon, July 17, begins at 3 o'clock, with Richard Hageman leading. The opera for that evening will be "Madame Butterfly" with Florence Easton, Alice Gentle, Morgan Kingston and Graham Marr in the leading roles. Concert Sunday afternoon and "La Boheme" Sunday evening with Edith Mason, Charles Hackett, Margery Maxwell, Millo Picco and Leon Rother, Louis D'Angelo and Paolo Ananian and Paltrinieri making the cast.

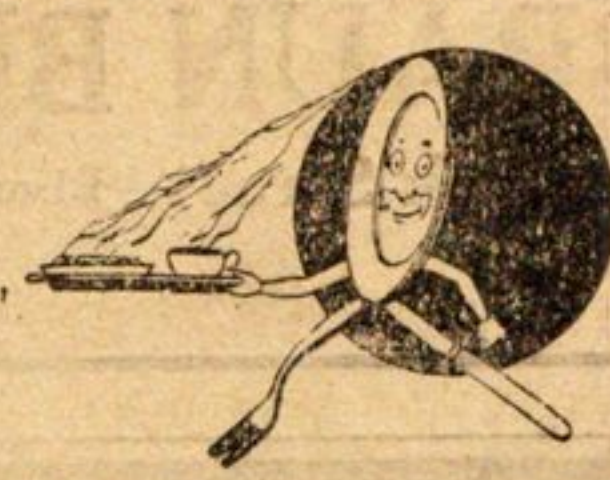

A bulletin received by Winnetka Woman's club members this past week contains the following announcements:

Two classes in parliamentary law will be given by Mrs. Maurice Lieber. An elementary class for beginners, minimum twelve members, to be held Monday afternoon at 3 o'clock, from October 11 to December 13, 1920, inclusive. Advanced class, minimum twelve members, Monday afternoon at 4:10 o'clock, October 11 to December 13, 1920, inclusive. The price of the course is three dollars. Kindly send names to Mrs. Wallace W. Chickering, 770 Rosewood avenue, Hubbard Woods.

During the months of July and August French classes are suspended unless some group of ten wishes to work during the summer. An intermediate class has been formed for older children wishing to have extra French before entering school in the fall. Mr. George Cauuet is arranging a class in French literature for the fall as well as beginning, intermediate and advance classes. For further information inquire of Mr. George Cauuet or Mrs. John R. Fletcher, Hubbard Woods.

The Civic committee is planning a study course of six lessons on "Our Government" to be given at the club house in October and November. The purpose of this course is to interest women in a more thorough knowledge of the machinery of our government, leading them to take a more active part in the betterment of the laws of our land and the legis-

lative methods used to bring about these better laws, further announcements of these classes will be given in the fall.

A course in appreciation of music has been arranged by the Music committee. The plan is to devote one Thursday afternoon of each month to an epoch in the development of music. The course is open to every member of the club and is designed to interest the average music lover as well as the trained musician.

Wednesday was Ladies' day at Westmoreland Country club, and there were tournaments for golf enthusiasts, and a bridge party in the afternoon.

### DANCES AT JONES' HALL

Contrary to an announcement made several weeks ago the regular Thursday evening dances will be continued at Jones' hall on Wilmette ave Wilmette. A large crowd attended last week's affair. The new decorations and the pleasant crowd which now attends the dances are proving a great attraction. The music is also drawing favorable comments. Three of the musicians, John Huerter, Raymond Miller and Joseph Schneider, are local artists.
