

without an attendant, on any public street or way.

Driving by Minors: No person shall operate or drive a motor vehicle who is under fifteen years of age unless accompanied by a licensed chauffeur or the owner of the vehicle being operated.

Vehicles traveling upon the streets or public way shall give the right of way to other vehicles approaching along intersecting highways from the right and shall have the right of way over vehicles approaching in same manner from the left. Police vehicles, fire apparatus vehicles, vehicles transporting United States mail and ambulances have the right of way over all other vehicles. Upon stopping or slowing down a vehicle such intention must be signalized by the outstretched arm.

Stop at Boulevards: All drivers of vehicles shall bring such vehicles to a complete stop before crossing or entering into any boulevard in the village. (Sheridan road is a boulevard from North avenue to Winnetka avenue).

Penalty: Any person violating any of the provisions of the motor vehicle regulations shall upon conviction be punished by a fine of not less than \$10 and not more than \$100.

**Additional Provisions**

In addition to the new ordinance, the Village Code contains the following provisions which may be summarized as follows:

1. No person shall drive any vehicle over any curb, sidewalk or parkway without protecting the same with planking, in accordance with directions from the Superintendent of Public Works.

2. No motorcycle shall be driven on any public sidewalk in Winnetka by any person of any age, nor shall any bicycle be driven on a sidewalk by any person over the age of twelve years.

3. Drivers of motor vehicles emerging from the doorway of any public or private garage located within ten feet of a sidewalk or where the view is in any way obstructed, shall cause the vehicle to come to a full stop, and shall sound a warning signal before proceeding across the sidewalk.

4. The operation of any automobile or motorcycle on the public streets with the muffler open or cut-out, is declared to be a nuisance and is prohibited.

**Safety Measures**

The foregoing regulations are designed to provide for the safety of motorists and pedestrians and it is earnestly hoped that every Winnetka citizen will co-operate in a reasonable observance of the provisions of these ordinances.

It will be noted that no regulation of speed is provided and this may be explained by the fact that speed regulations are covered by State statute and are therefore uniform throughout the state. It is the policy of the Village Council to enforce such speed regulations strictly, particularly in cases where motorists disregard ordinary precautions of safety and a consideration of the rights of pedestrians.

The entire code of traffic regulations will be published in pamphlet form in the near future for distribution to Winnetka automobile owners, it is announced.

**INDIAN HILL WOMAN GOLFER HOLDS TITLE**

**Miss Elizabeth Klotz Wins Out in Bitter Contest in Women's Western Golf Association Events**

Miss Elizabeth Klotz of Indian Hill retains the title of city champion of the Women's Western Golf association, by her victory in the deciding contest at Glenn Oak this week over Mrs. Melvin Jones of the home club. The contest, however, was a most bitterly fought affair and the Indian Hill star only took the title after nineteen holes of play.

By missing an average size putt on the eighteenth green, Mrs. Jones lost her last opportunity of taking the cup and when she required six strokes on the extra hole the Indian Hill star once more had her name engrave upon the emblem.

At the end of the first nine holes Miss Klotz led her opponent by 1 up, but the Glen Oak entrant soon squared matters after leaving the turn. On the last half of the trip, Mrs. Jones took three holes while her rival annexed but two.

Victory came to Miss Klotz when her opponent drove into the woods and made a short recovery. On her third, Mrs. Jones was short again and required a fourth stroke to the green where she missed a putt and took six. Miss Klotz reached the terrace on her third and negotiated the putt for a par four.

The cards follows:

Miss Klotz—  
Out .....5 6 4 7 5 7 5 5 4—48  
In .....8 4 5 5 7 6 4 5 5—49—97

Mrs. Jones—  
Out .....5 5 6 6 6 5 5 \*  
In .....7 5 5 5 8 5 4 4 5—48

Miss Ruth Burnett of Beverly annexed the second flight final by disposing of Mrs. W. W. Haerther of Evanston by 2 to 1.

In the third flight the prize was awarded to Mrs. G. Wisner of Olympia Fields who won from Mrs. B. C. Hardenbrook of Skokie by a like margin. Mrs. C. A. Rehberg of Olympia captured the fourth flight by eliminating Miss G. Porter of Ridge by the liberal margin of 6 and 4 to play.

**Avoids Beach for Swim; Body Found Week Later**

**Edward Redeston, 60 Years of Age, Drowns While "Cooling Off a Bit" in Lake Waters**

The body of Edward Redeston, 60 years of age, Chicago cabinet maker, was found in the lake at the foot of Central avenue, Wilmette, Saturday, July 17, by chief of police E. G. Sieber of the Wilmette department.

Redeston was reported missing by his family on Monday, July 12. Later, clothing identified by relatives of the drowned man was found in an orderly arrangement on the beach of the Gage Land Tract, Kenilworth.

At an inquest held at the Scott Undertaking establishment in Wilmette Monday morning it was determined Redeston had left home early on July 12 to "cool off a bit." It was thought he took a ride on the "L" to the Linden avenue terminal from where he strolled along the lake shore eventually deciding to go in bathing.

A coroner's jury rendered a verdict of accidental death by drowning. Redeston had been an expert

swimmer in his younger days, relatives testified. In England, it was said, he had established a record for long distance swimming in the Thames. It was thought he suffered "cramps" while swimming Monday. The drowning emphasizes the warning so frequently issued by the Winnetka Park Board and in the columns of The Weekly Talk: "Do not go in bathing anywhere in Lake Michigan at other than the regularly guarded bathing beaches!" There are people to help you should you be in distress at the beaches! There is no one to come to your assistance when in bathing at other points!
