

CAPT. SCHULZE BURIED AT WEST POINT ACADEMY

Body of Kenilworth War Hero
Brought from France and Buried
at Military Cemetery

Capt. Walter Schulze, killed in an airplane accident in France last June, was buried in the cemetery at the West Point Military Academy Tuesday with full military honors.

Capt. Schulze graduated from the academy in April, 1917, and went overseas with the 138th Aero Squadron. He was killed when his airplane crashed while he was distributing copies of the army's daily newspaper in Germany.

Capt. Schulze was a son of Mr. and Mrs. Paul Schulze of Kenilworth. His parents accompanied the body from New York to West Point and were present at the funeral ceremonies.

SPEED PREPARATIONS FOR ELGIN ROAD RACE, TO BE HELD AUGUST 14

Great progress has been made in preparing the road for the Elgin automobile road race, which is to take place on the old course August 14 instead of August 21, as previously announced.

The advance in the date is to accommodate the racing men, so they may have ample time to fix up their mounts after the Elgin and not be delayed in getting to the Uniontown speedway for the Labor Day meet there.

The east, north and west legs of the course are now in the pink of condition; in fact, better than any portion of the course in previous years. There is some work to be completed on the south leg, but that is better than at any time heretofore.

As soon as the dragging of the south leg is completed 30,000 gallons of road oil will be spread over the surface of the eight-mile course and then the drags will be kept going to smooth out every little wrinkle. At the same time every stone of any size will be raked off. Then a week prior to the race another 10,000 gallons of oil will be spread on lightly to act as a dust layer.

In the meantime the other work of preparing for the race is going on both by the Chicago Motor club and the Elgin Automobile Race association.

DINNER DANCE

Announcement is made this week of the Dinner Dance to be given at the Bob O'Link Golf club Saturday, July 31. "Pope" Harvey's celebrated Jazz band is to furnish the music for the occasion. Reservations are to be made at the clubhouse by Friday, July 30.

ENTERTAINING RELATIVES

Miss Mary Garretson, 565 Lincoln avenue, has as her guest this week her sisters Elsie and Ada, her brother Herbert and her niece Mildred, of Salem, Iowa, who motored to Winnetka. She will return to Salem with the party next week and will visit there a short while.

ON VACATION

Motorists are breathing more freely these days while motorcyclist Hanselman is enjoying his vacation. However, Chief Peterson and Albert Ottone are on the job as per custom.

RETURNS TO POSTOFFICE

Thomas Enright, chief-clerk at the Hubbard Woods postoffice, returned to his duties Thursday after a two-weeks' vacation.

CHANDLER'S STORE ENLARGES SPORTING GOODS DEPARTMENT

Chandler's book, stationery and sporting goods store on Davis street, Evanston, is undergoing extensive alterations and remodeling which will greatly increase its floor space and the size of the stocks which it will carry.

One of the first changes to be completed is that in the sporting goods department. This has been moved from the basement to the second floor, where it occupies the entire space, with the exception of what is devoted to the store's offices. In order to make room for the department, an apartment in the rear, which was occupied as a dwelling, was vacated and the partitions were torn down, affording a large display room extending from front to rear of the building.

New wall cases, show cases, shelves and light fixtures are being installed, and it is expected that the new sporting goods department will be completed by the last of this week. It will then be, in the opinion of Manager Kellar of the store, as completely equipped and stocked as any in or near Chicago.

The basement space formerly occupied by the sporting goods department, will be given over exclusively

to commercial stationery and office supplies.

Other alterations in the store and in the building it occupies are to be started soon. It is expected that they will not be completed before the end of the year.

ABOUT 1,000 ATTEND PICNIC OF CRESCENTS AT FOREST PRESERVE

More than 1,000 young people of the north shore gathered at Riverside on the forest preserve southwest of the north shore, Sunday and participated in the annual picnic and dance given by the Evanston Crescents, an organization of Evanston boys. This is the largest gathering that has attended a similar occasion at Riverside for a number of years.

The picnic began in the afternoon, but the greater part of the gathering did not arrive until after 7:30 o'clock in the evening. From that time on the crowd poured in both by automobiles and the street cars.

The pavilion at Riverside was beautifully decorated with the crescent, the symbol of the organization, the dominating feature. Refreshments were served, and the several hundred guests of the Crescents at the picnic went away admiring the ability of the members of the organization to stage a real entertainment.

THIS BEARS REPEATING

Don't buy anything you have no need for.

Don't buy more than you need.

Don't buy anything you can't afford.

Don't save one week and spend all of your savings the next week.

Save when you have a chance.

Save for your necessities.

Saving, like spending, gets to be a habit.

Easy spent pennies wasted dollars.

Learn to save when you are young;

it becomes a habit when you are old.

When once you have acquired the real saving habit it is fixed for all time.

Extra! HOCKADAY'S INTERIO Extra!

**Introducing
HOCKADAY'S INTERIO**
The only really washable wall finish

Here's the wall finish you've been looking for. You can use it on plaster, concrete, brick, metal, wood or wall board and no matter how many times washed, it always comes up smiling.

Ink, grease, match scratches, indelible pencil marks, soot, anything and everything washes off easily as a fly speck. Needs no sizing or priming, never cracks, chalks or lime burns and only two coats do the work. Just flow it on. A child can do it. Results sure. Just follow our simple directions. Goes 30% farther — saves 30% of labor. Cuts up-keep in two.
