

Social Happenings in Wilmette and Kenilworth by Ruth Risley

MR. AND MR. IRA S. FISHER, who expect to celebrate their Golden Wedding anniversary shortly, left this week on a pre-nuptial wedding tour through the west. After visiting in Yellowstone Park they will go to the coast, visiting at Victoria and Vancouver, in British Columbia. They expect to be away for several weeks and will be accompanied by their daughter, Miss Laura Fisher, and their grand-daughter, Janice.

Ravenscroft, 677 Valley road, Glencoe, in the announcement of her marriage to Harry Lipphardt, which took place on Friday afternoon of this week at the Ravenscroft home, at 4 o'clock. Utmost simplicity marked the occasion, since the wedding date, which had been set for early fall, was advanced, owing to the fact that Mr. Lipphardt has just taken a position which necessitates extensive traveling. Immediately after the ceremony the young couple left for Philadelphia. They will travel during the coming year.

Mrs. Lipphardt enjoys a wide acquaintance among the younger people of the north shore.

Mr. and Mrs. Thomas C. Dennehy gave a dancing party Tuesday evening at their summer residence in Winnetka for their daughters, the Misses Mary and Virginia Dennehy. Do You Know This Man?

The other day we heard a man complain that it is impossible for him to make both ends meet on the income he is getting; and yet this man is driving an expensive car, wears silk shirts, travels in a "set" who never miss anything and are great spenders.

Three years ago he was happy with the normal equipment of the average man of the middle class. Money became plentiful and he splurged. It tightened, and he is spending more than he earns.

Extravagance is responsible for his predicament. The pendulum swings back and it is high time for him to adjust his living schedule to meet his income, rather than try to stretch the latter to cover extravagances.

Investigation proves it is not the fault of the income, but those newly acquired expensive habits.

We can and will help him on one large item---dispose of that big car and replace it with a FORD SEDAN. Wealthy, and well-to-do people are buying Ford Enclosed Cars. Now is the time for this man to realize that he, too, should have a Ford Car.
