FORE! IMMEDIATE DELIVERY

It is observed in our salesroom that—

the purchase of an Oakland Sensible Six often is decided after a very few minutes of inspection.

People realize quickly that the immense resources back of this car have produced in it an unmatched value.

The car we are showing today is the staunch Oakland of years past rendered even more serviceable by heavier construction and advance design.

The six and one-half inch steel frame, the large

axles, the strongly built body and high grade equipment give it extraordinary capacity for service.

The Oakland Sensible Six is built and equipped to deliver the utmost in year round transportation at low operating cost. It presents a combination of advantages not offered in other cars.

Come in today and inspect these new models now on our salesroom floor. Our lighting facilities are so arranged that you are not at a disadvantage if the evening is more preferable for your inspection.

We can make immediate delivery and arrange easy payment terms to suit your convenience.
