

# WINNETKA, DO NOT FORGET DR. BROWN

### Winnetka Relief Worker Battles With Adverse Conditions in Serbia; Funds Are Nearly Depleted

While scores of Winnetkans are enjoying the cool breezes, right here in the village, at some luxurious watering place or northwoods cottage, one of our citizens, a woman at that, is sacrificing convenience, the pleasures of life and, even her health, working among the sick and destitute women and children of war-ravaged Serbia.

Dr. Alice Barlow-Brown is not faring well in Serbia. In the midst of a dreadful diphtheria epidemic she is suffering severe infection of the nose and throat. Yet, in disregard of her personal difficulties, she is ministering constantly to the needs of hundreds of deathly ill and half-starved Serbian mothers and babies, at Pristina, Serbia.

With all this misery, too, there is a sad scarcity of funds essential to carry on this humanitarian work among the destitute southeastern Europeans. Dr. Brown, who is conducting this great relief project under direct auspices of Winnetka citizens, is experiencing difficulty because some perfectly well-meaning and altogether sympathetic Winnetkans are thinking too much of vacations and too little of their solemn resolve to assist materially in this splendid rehabilitation service to Serbia.

### Mail Checks to Mrs. Greeley

Mrs. Morris L. Greeley, 655 Maple avenue, is chairman of the American Medical Women's Hospital association, from which Dr. Brown receives funds for her work. Funds for this work are to be directed to Mrs. Greeley.

Recently Mrs. Greeley posted letters to many Winnetka housewives, asking the donation of sums equal to one-tenth of their monthly grocery bills for each of the next three months. Response came from approximately one-fourth of these communications.

"I considered it a very poor showing for Winnetka women," Mrs. Greeley told a representative of the Weekly Talk. "We must provide funds and, provide them without delay, if Dr. Brown's work is to meet with success; if the destitute, and starving Serbian mothers and little ones are to be saved."

So, while you are having a good rest and enjoying to the fullest your surcease from daily toil, spare a thought for Dr. Brown and her excellent service. Dr. Brown is not complaining for she is a brave woman and a real soldier. Mail a check to Mrs. Morris L. Greeley, 655 Maple avenue, today. Don't forget Winnetka's reputation.

### PRIZE ATTRACTS ATTENTION

The Cleola Console phonograph, offered as a prize at the New Trier Day outing at Gross Point Grove, is attracting much attention at its display in the lobby of the Winnetka Trust and Savings Bank. The phonograph is donated by the Lake Shore Electric company and is manufactured by the Barker-Whitelaw company of Wilmette.

### Police Department

The report of the Police Department for the month of July shows that forty-two arrests were made during the month, thirty-seven being for speed and traffic violations.

No burglaries were committed during the month. Four accidents occurred, one of which resulted in death. Five business buildings were found open at night, three disturbances were suppressed, three dogs were killed and three lost children were restored to their parents. Eighteen street lights were reported out of service.

In addition to the foregoing, one hundred twenty-five miscellaneous cases were handled by the department during the month.

### Fire Department

The report of the Fire Department for the month of July shows that three calls were received during the month, two of which were for fires which were extinguished. The valuation involved was \$12,000, with a resulting damage of \$150.

During the month thirteen fire prevention inspections were made by the fire marshal.

An exhibition run with the pumping apparatus was made to the village commons on the Fourth of July, as a part of the Independence Day exercises.

### Rubbish Dump

Work by the Public Works Department in removing the unsightly rubbish dump of the village west of Willow street is progressing rapidly, and it is hoped by the end of the month to have this property placed in a neat and orderly condition. In order to provide additional space to take care of the accumulation, five lots were purchased from Peter Conrad just south of the village shovel the surface black dirt was property and by means of the steam excavated and sold at a price sufficient to offset the cost of the property.

### Gas Rates

The final hearing in the case of the North Shore Gas company before the Public Utilities Commission for an increase of rates has been set for September 10. The village council operation of the other municipalities is endeavoring to secure the co-operation of the gas company for the purpose of opposing energetically the proposed increase. Mr. E. W. Bemis of Chicago, public utility expert, has been engaged to assist the village attorney in the proceedings before the commission.

the Indian Hill club grounds.

Alleged sensational accounts of the accident printed in recent issues of the Chicago Herald and Examiner were branded as "entirely without foundation" and as unjust to Mrs. Rockhold. The facts in the case are these:

Just prior to the accident young Wilbern and other caddies were standing near the concrete club driveway when, upon the approach of the Rockhold car, Wilbern and another boy attempted to cross the driveway in the path of the machine. His companion succeeded but Wilbern was unavoidably struck by the car, although Mrs. Rockhold brought the machine to a complete stop within a few feet.

"In order to make a story of this accident," Mr. Rockhold says, "the Herald and Examiner of August 13 and 14, added to it several sensational features which were entirely without foundation in fact. It is not true that Mrs. Rockhold drove away leaving the injured boy without aid. On the contrary, she got out of the car, and was the first person to reach him. She helped carry him into the caddy house. She offered to take him to the hospital in her machine. She drove to the Evanston hospital and directed that surgical attention be given promptly. Mrs. Rockhold remained with the boy until his parents arrived."

The Wilbern boy was reported not seriously injured. It is expected he will leave the hospital within a few days.

## WILMETTE BUSINESS BLOCK IS PURCHASED BY F. A. ROCKHOLD

One of the most important Wilmette real estate transfers in recent years is the announcement of the purchase of the Cox building and site by Frank A. Rockhold, 1014 Elmwood avenue, Wilmette. Mr. Cox, former owner, is a resident of Texas at the present time. The deal was closed this week.

The Cox building is situated at the northeast corner of Wilmette and Central avenues, in the very heart of the Wilmette business section. The building contains several store spaces including the Snider and Cazal drug store, otherwise known as the Wilmette Pharmacy. There are numerous office spaces on the second floor of the structure.

Early in March the Cox building was visited by fire which partially destroyed the interior of the Wilmette pharmacy. The building has since been completely renovated.

Mr. Rockhold, the new owner, also owns the vacant property on the southeast corner of Wilmette and Central avenues. Plans are to be announced later, it is said, for the improvement of this large plot of ground.

## ECKART SELLS PAINT—PAULSON USES THE PAINT

The name Eckart is familiar to every household in Winnetka. The J. F. Eckart Hardware Company at 736 Elm street, carries a line of household supplies of wide description in the hardware field. The concern has been established in the village for 6 years and bears the stamp of quality and efficient service.

Mr. Eckart has been a resident of Winnetka for 17 years and is particularly well acquainted with the "hardware" needs of the residents in this vicinity.

Since last spring the J. F. Eckart Company has worked in conjunction with Herbert W. Paulson, interior and exterior decorator. Thirty-five years ago Mr. Eckart and Mr. Paulson's father were theater decorators in Chicago. Today the son and his father's companion have established a working basis upon which Eckart "sells the paint" and Paulson "uses the paint."

Mr. Paulson has established a reputation for excellent work in many Winnetka homes and his services are in constant demand. He was established in Chicago before coming to the north shore.
