There will be a dinner dance at Bob O' Link Golf club on Saturday evening of this week.

A mammoth demonstration of women of Chicago and Illinois to mark appreciation of the ratification of the suffrage amendment by the State of Tennessee went forward today with speed as the various women who have been active in the suffrage fight learned that their battle had been crowned with victory. They will cast their first full vote at the primaries here September 15, unless something occurs to change the Tennessee situation.

The meeting, which will be of a political nature, is being arranged by Ella Abeel of the Chicago Woman's club, and Mrs. Catherine Waugh McCullough, pioneer suffragist and local attorney, who wrote the Illinois suffrage law. The demonstration will be a huge woman's mass meeting with many prominent woman speakers.

There will be a dinner dance at Skokie Country club on Saturday evening, August 28.

HAS WORDS OF PRAISE FOR THE VELIE SEDAN

Dr. Edwin T. Schildberg of Winnetka, who recently returned from a long vacation tour in his new Velie Sedan, says that in his journey of over two weeks he motored to Michigan in the sedan recently purchased from Braun Brothers of Winnetka. "I was told that my new sedan would not stand the strain," he is quoted as saying. "But my companions who drove an eight-cylinder machine took my dust practically all the way and the car looks and acts just as good as it did the day I purchased the machine."

GIVEN \$325,000 LOOP PROPERTY ON BIRTHDAY

When Miss Mary Dennehy, daughter of Thomas C. Dennehy, head of the former wholesale liquor concern bearing his name, reached her eighteenth birthday a few days ago Papa Dennehy presented her with a piece of downtown real estate valued at \$325,000.

The property is at 323-325 West Adams street and is a four-story building occupied by a number of business houses. The frontage is 50 feet and the structure runs back 166 feet to Quincy street. L. S. Blumenthal, attorney, handled the technicalities.

The Dennehys, who have a town house at 1459 Astor street, are in Winnetka for the summer. Mr. Dennehy, who transferred his activities to real estate after closing his liquor business, has an office at 616 South Michigan avenue.

AUTO, TIRE INDUSTRY POPULATION BUILDERS

Chamber of Commerce, listen! Want to know a sure method of stimulating the growth of your city? Would you like to show a big population increase over the 1920 census?

Then induce a tire or an automobile factory to locate in your midst. This hint is deduced from the census figures announced for Detroit and Akron.

Both have shown this greatest percentage of gain for cities having more than 200,000 population.

Detroit jumped to fourth place in the nation and Akron leaped many notches with 208 per cent gain. Both were stimulated by the rubber and automobile industries.

Los Angeles passed its ancient rival San Francisco in the last ten

years and expects to increase the lead because of the acquisition of the new \$20,000,000 tire factory of the Goodyear Tire & Rubber company.

UNDER NEW MANAGEMENT

The Hubbard Woods Motor Car Company has been announced as under new management. Frank Tucker, well known on the north shore and formerly engaged in the automobile repair work in Wilmette is in charge of repair work at the company.
