

WILMETTE WINNER IN TOWNSHIP PRIZE GAME

Absence of Glencoe's Star Hurler Brings Defeat to Champions of North Shore League

Struggling bravely but vainly without the services of their star pitcher, Wilson, Glencoe, with Bob Clavey on the mound, submitted to defeat at the Wilmette baseball field on New Trier Day by a 6 to 2 count.

Although minus their premier hurler the Glencoe lads never gave up the ghost until Stickers grounded to Borre for the last putout in the ninth inning. Erratic fielding in the first three innings coupled with the poor condition of the Wilmette outfield allowed the Wilmette nine to score four runs with another added in the sixth and seventh.

Glencoe had several opportunities to score in the first innings but Borre always tightened in the pinches and held them safely. In the third inning he fanned two of the prospective north shore league champions when runners occupied the second and third stations.

Count In Seventh

It wasn't until the seventh when the losers counted their first run with the second marker arriving in the last stanza.

The Wilmette players deserved to win the contest as they played bang-up baseball for the entire contest. Braun at first, Rennolds at second and Barrows in left field were the fielding stars of the winning aggregation. Their hitting was timely and but for a small amount of loose brainwork on the bases the score would probably have been more one-sided.

Borre Star Hurler

Borre outpitched Clavey at every turn except the strike-out route where the Glencoe player led with four victims. Borre was very effective with men on the bases and aided by sterling support held the Glencoes in check for seven of the nine innings.

The star play of the day came in the fifth inning when Culver, Glencoe third baseman, ran to the foul line in short left field and caught a foul fly with his back to the playing field. In the seventh with men on first and second and two outs Rennolds of Wilmette drove what looked like a sure hit to right center. Stockel, the second baseman, however, leaped into the air and brought down the ball amidst the plaudits of the fans.

Only one accident marred the game. In the seventh inning with Wilmette at bat and a man on third base and one down Barrows hit a fly to short left field. Both Schroeder, the shortstop, and Beck, the left fielder, ran for the catch. Just as Beck caught the ball the shortstop crashed into him full speed, striking him on the chin with his head. Beck suffered a cut chin while sev-

eral of Schroeder's molars were loosened. Both players were temporarily incapacitated and the game was halted for several minutes. Beck and Schroeder both finished the game.

O'HANHA SAN'S JAPANESE REVIEW ON NORTH SHORE

Of special interest to north shore theatergoers is the announcement of the appearance on Sunday, August 29, at the Majestic theater, Waukegan, of the O'Hanha San's Japanese Review, characterized as the "highest paid act in vaudeville".

The O'Hanha San's Review employs the services of six actors together with eight electricians and stage hands. It is described as a spectacle worthy of the consideration

of the most discriminatory of theatergoers and should be of particular interest to north shore residents.

CLUB CHAMPIONSHIP GOLF

The finals in the Club Championship event at the Bob O'Link Golf club, will be played on Saturday, August 28. The event is thirty-six holes, match play. The Qualifying Round of the Lucien M. Williams Trophy begins on Saturday. This trophy, presented by Lucien M. Williams, is the property of the club. The name of the winner is engraved on the trophy. The winner receives an appropriate emblem commemorating the event. This event is 18 holes, medal play, sixteen to qualify. There are prizes for first, second tenth and twenty-first places.

GO TO CHURCH ON SUNDAY

CARS HIT SAFETY ISLANDS; WOMAN TAKEN TO HOSPITAL

Both north and south safety islands at Kenilworth avenue and Sheridan road, Kenilworth, present a considerable wreck as the result of two mishaps in the traffic in the past ten days.

Several days ago the south safety island was struck by a large car and practically demolished.

Early Tuesday morning a car driven by H. L. Wells of Rogers Park, Chicago, crashed head-on into the north island. This time the machine got the worst of the impact. The car was overturned and Mrs. W. E. Wells, an occupant, injured so seriously it was found necessary to take her to the Evanston hospital. Wells, his wife and three children were thrown from the car but escaped serious injury.

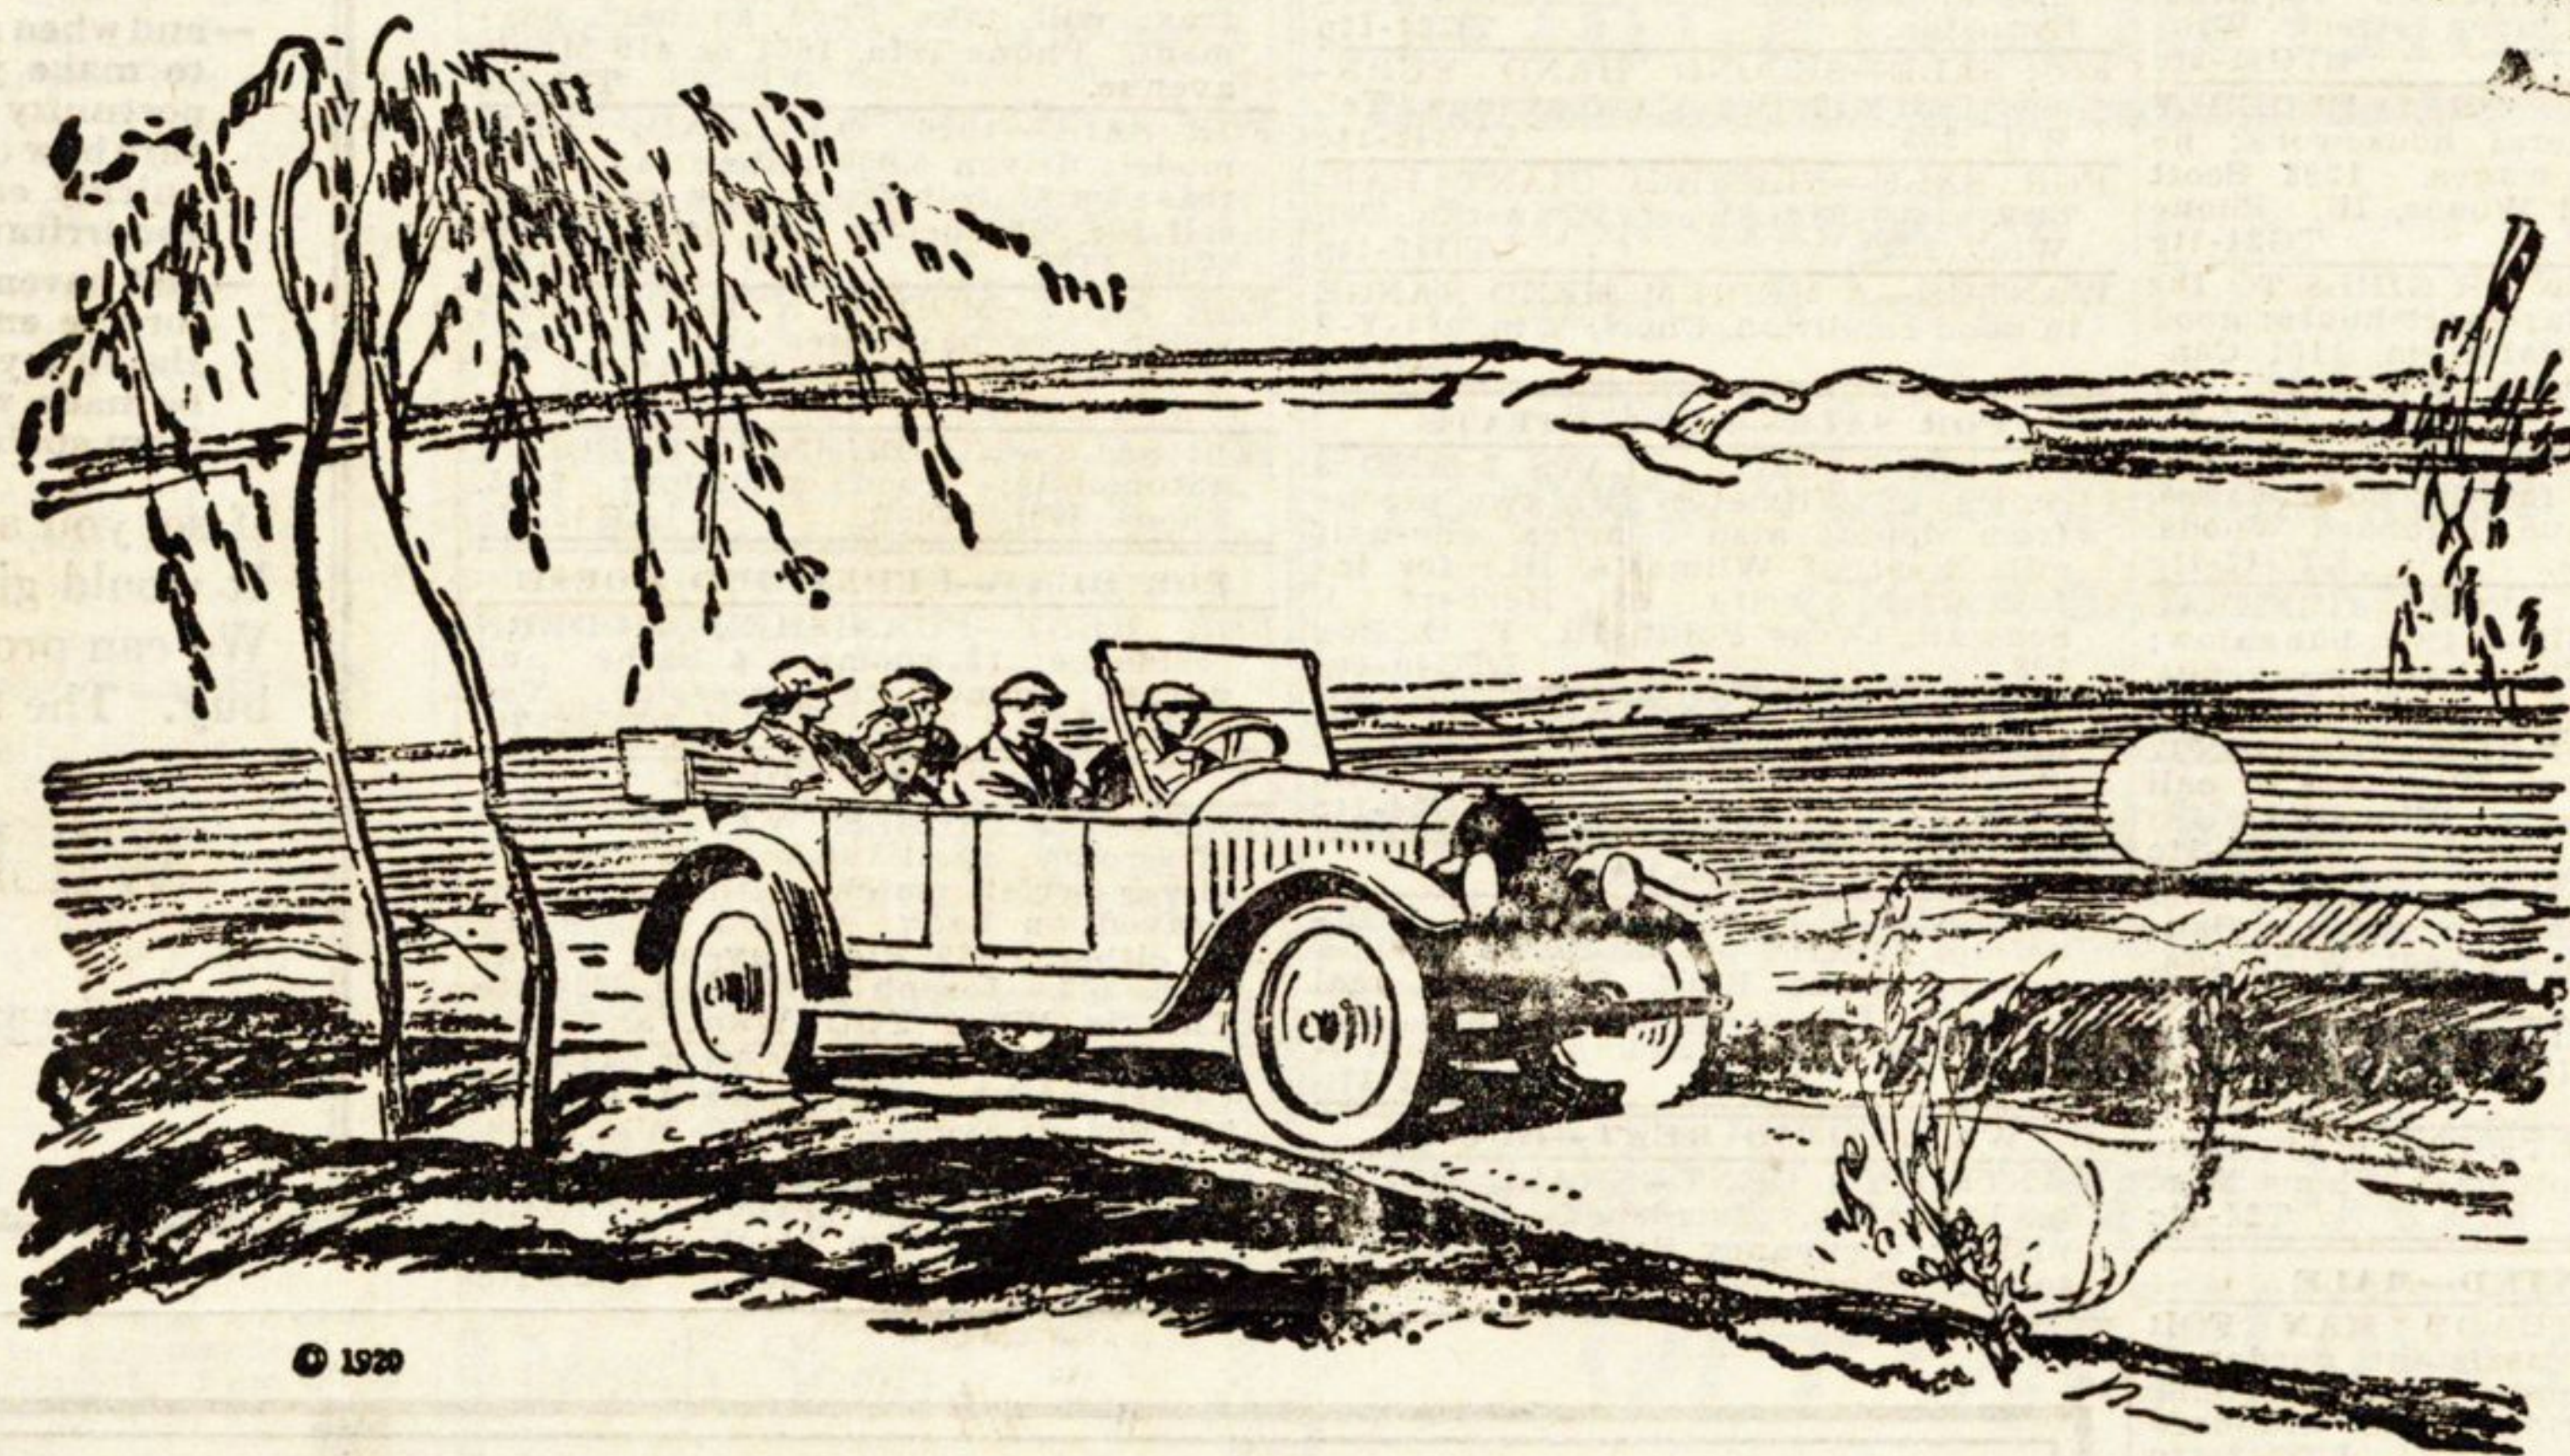

Newspaper delivery automobiles have the right of way over other traffic at night in Buenos Aires, Argentina.

Now the whole family can go out on a Summer evening

THE women should certainly be thankful for the automobile. It has given them a chance to see a lot more of their husbands.

II

But it has done a great deal more than that.

It has brought people closer together, given them new interests, swept away old prejudices.

What affects one man now generally affects a good many of his neighbors in the same way. And they have a better chance to get together and talk things over.

III

It's had its effect on the tire business.

When automobiles were new people were willing to buy any kind of a tire. Now

they're beginning to insist on knowing what they are getting.

And the more they insist, the better it will be for us.

IV

We want our customers to know what they are getting.

That's why we represent U. S. Tires—so there will be no doubt about it.

Whatever the size of your car, you know that the U. S. Tire you put on it is the best kind of tire its makers know how to make.

U. S. Tires are guaranteed for life, without any limitation of mileage.

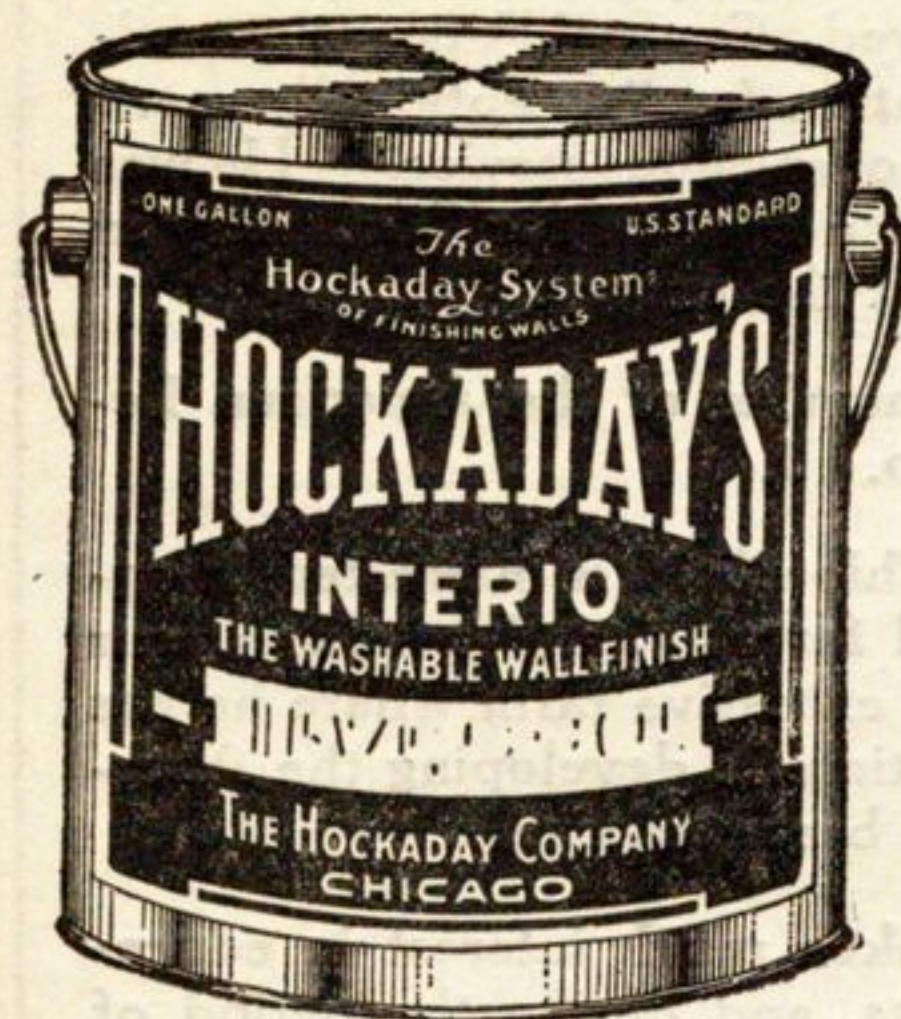

That ought to mean something to the man who has thought about tires.
