BITTER CONTEST AT PRIMARIES FORSEEN

Deneen-Brundage Group Wage Battle in New Trier Township Against the Lundin-Thompson Faction

A CHALLENGE TO VOTERS

Ask Republican Voters of New Trier To Register Opposition to "Tammany" Rule

Wednesday, September 15, is Primary day.

Unusual interest is attached to this day this year in view of the fierce and unrelenting fight between the Lundin-Thompson faction, and the Deneen-Brundage group backed by the National Republican party.

The fight is of particular interest and importance to north shore voters in view of the very apparent determination of the Thompson forces to gain political control of this section of Cook county, together with other so-called country sections of the county.

Efforts of the Lundin-Thompson forces to control this territory have been doubled in the past two weeks. This drive on the voters may have had the effect of a reaction in favor of the opposing group. In fact, the anti-Thompson sentiment in New Trier township is waxing stronger each day and is expected by many to acquire the proportions of an overwhelming opposition to the so-called "Thompson-Tammany" rule, an opposition expected to sweep the entire county on Primary day.

McKinley vs. Smith

The Deneen-Brundage leading candidates are William H. McKinley for United States senator, and John G. Oglesby for governor. The Lundin-Thompson faction is backing the candidacy of Frank L. Smith for

Anti-Thompson Fight At White Heat Point

Leading Winnetkans Organize to Make Personal Appeal to Voters To Defeat "Tammany"

By Frank F. Fowle

Shocked by the disgraceful record of the Lundin-Thompson Tammany machine in the city of Chicago, and the imminent danger of the spread of this evil influence to the county and state, a group of Winnetka citizens at a meeting held on Wednesday evening, unanimously resolved to take concerted action to turn out the largest possible vote in the north shore district at the primaries to be held on Wednesday, September 15.

It is planned to make a personal appeal to each voter for the support of the candidates running in opposition to the Thompson ticket, and an influential committee of men and women is being formed for this purpose. Special efforts will be made to remind the women of Winnetka of their newly bestowed power to support good government and their duty to rebuke public officials who are glaringly guilty of misgovernment.

LEGION POST OPENS SEASON IN SESSION MONDAY EVENING

The first meeting of the Winnetka Post of the American Legion, following the summer recess, will be held Monday evening, September 13, at the post headquarters in the Winnetka Woman's club building.

Members of the post and other ex-service men are requested to make application for Victory medals at this meeting. Honorable discharge papers must be shown to obtain the medals.

The legion is planning for some "big things" this season. All members of the post are requested to attend the first meeting of the fall season.

INDIVIDUAL PROGRESS FOR SCHOOL CHILDREN

Under New Program Children of Intermediate Grades to Have Privilege of Elective Study

The reorganization of the upper grades to include electives and special help periods, the progress of the individual system of promotions throughout the Winnetka schools, and the general improvement of the school plant during the summer, are the outstanding features of a report prepared by Superintendent Washburne for the Board of Education.

Under the new program, according to this report, all pupils in the intermediate school (7th and 8th grades) will be allowed to select two elective subjects in addition to their regular work. Twelve or more elective subjects will be offered so that pupils will be able to follow the lines of their own interests and abilities in this supplementary work. A full list of the electives is not yet available, but will be given in the next issue of the Weekly Talk.

Special-Help Periods

Special-help periods are another addition to the intermediate school. During the last period in the morning each teacher will be in his or her own room and pupils of the 7th and 8th grades will be allowed to go to the teacher whose help they most need for study or special assistance.

In all grades pupils will progress individually—no pupils will be forced ahead faster than he can do thorough work, and no pupil will be held back by the rest of the class. The teachers all remained after the close of school last June to prepare the material that is necessary in order to carry on this individual system without confusion. This material has been mimeographed during the summer and will be assembled into booklets by the pupils themselves. It will, besides making individual

mass-meeting to be staged at the Winnetka Community House, on Lincoln avenue, one block north of Elm street, Winnetka, to be addressed by Lieut. Gov. John G. Oglesby, Republican candidate for Governor of Illinois. Mr. Oglesby will be the first speaker on the program.

Other speakers will be Maj. John V. Clinnin, Maj. Harry F. Hamlin, Howard P. Castle, Congressman Carl R. Chindblom, George Keys, Charles W. Vail and Maj. Harry R. Hoffman.

All citizens of New Trier township interested in furthering the cause of the Republican party and in becoming better acquainted with the national and state issues are urged and invited to be present at the

ber of leading republican citizens of New Trier township was held last Tuesday evening at which the Harding-Coolidge Republican club of New Trier township was organized for the purpose of supporting the Republican candidates in the national election, and of gathering together the Republican forces in New Trier township under the Republican banner. The following officers were elected:

Justus Chancellor, Jr., president.
Edwin E. Vail, vice president.
George L. Friestedt, secretary and treasurer.

Headquarters of the Harding-Coolidge club are located in the George F. Gonsalves offices at 558 Center street, Winnetka.

DRIVEWAYS AND STREETS RESURFACED BY VILLAGE

The department of Public Works has been busy during the last two weeks under the direction of Harold Clark in the absence of Superintendent W. A. Gibbon. Mr. Gibbon returned Tuesday after enjoying a vacation, to find that east Cherry street was being resurfaced, the Chicago and Northwestern railway driveways had already been resurfaced and the driveway leading to the coal yards of the E. C. Weissenberg company along the right of way of the North Shore line had been oiled to settle the dust which had been a constant source of annoyance to patrons of the electric line and shoppers in the Elm street business district.

VISITS IN NORTH COUNTRY

George D. Wolf of 467 Willow street, has been enjoying a wonderful vacation in a tour of Alaska and northern Canada. Mr. Wolf has made interesting observations in his travels and among other details notes that daily papers in the territory are sold at ten cents the copy. He is on the return journey.

RESURFACE OAK STREET

A portion of Oak street will be resurfaced next week by the Public Works department.

WOMAN AND MAN SOUGHT AS GOLF CLUB THIEVES

Golf clubs along the north shore are on the watch for thieves, believed to be a man and woman, who visit the clubs in the guise of guests, who have within the last few days stolen more than \$5,000 worth of property from the Northmore, Ouilmette and Skokie Golf clubs.

In most of the instances furs have been taken, but at the Northmore club 150 pieces of silver and linen were stolen.

At all of the clubs the presence of an exceptionally attractive woman and her escort, who, though known to no one present, apparently, were protected from questioning by their own poise, was revealed after each theft.

BACK FROM FISHING

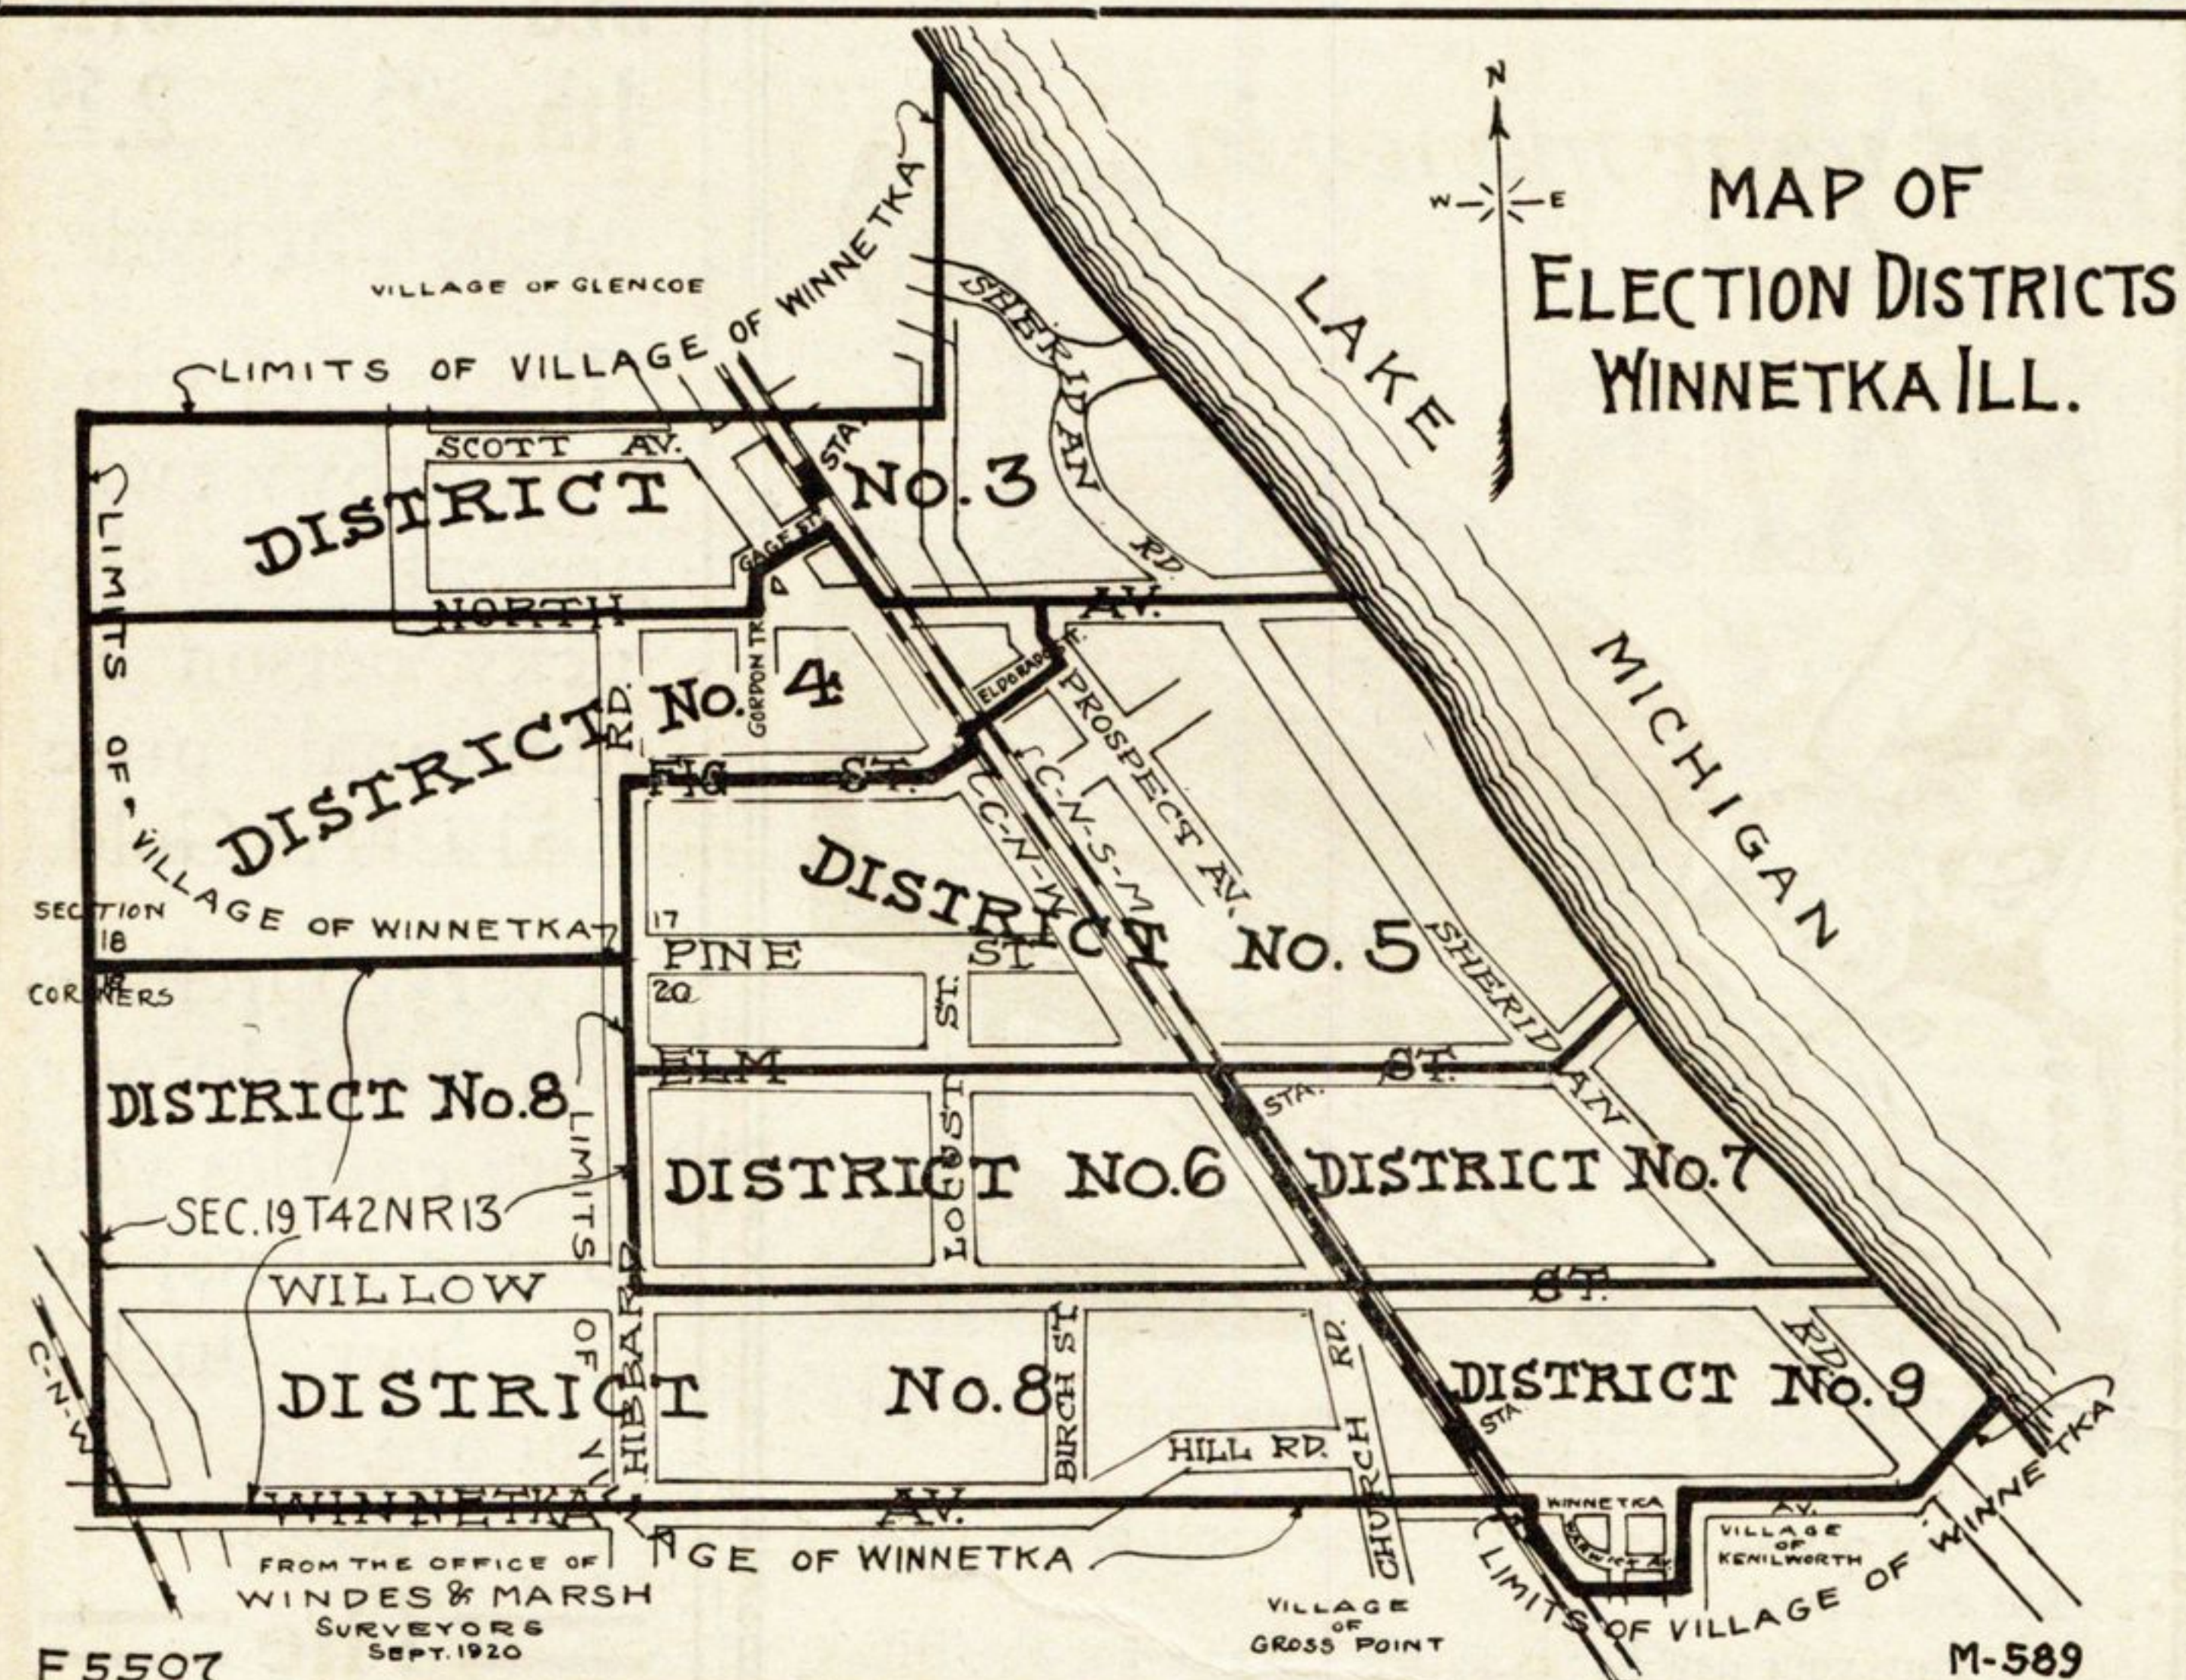

Walter Gibbon, Winnetka Superintendent of Public Works, returned Tuesday from a two week's sojourn at Powers Lake, Wis., where he enjoyed some fishing. Yes, he caught a lot of 'em, big ones too—ho, hum.

"IT PAYS TO ADVERTISE"

Bryan Washburne will appear at the Community House next Friday evening in "It Pays to Advertise". The opening picture last night was a great success.
