

Activities of North Shore Clubs

by Ruth Risley

THE Club Year, which is to be formally opened this coming week, promises to be one of the most interesting years we have ever experienced. With national suffrage no longer a dream or vision but a positive reality, it behooves the women of our country to make themselves better acquainted with the political situation, and so plans have been made in all of the clubs for political meetings.

At the Wilmette Woman's club next Wednesday afternoon, Milan Lusk, violinist, and Mary Jane Herring, who will read "The Road to Happiness", will present the program. The affair will take the form of a reception to the new president and her board, and to the new members.

On Thursday afternoon of next week, the Winnetka Woman's club will hold its opening in the form of a political meeting. Mrs. Fletcher Dobyns, chairman of the Illinois Republican Women's Executive committee, will speak for the Republican party, and Mrs. Samuel Slade, chairman of the Executive committee for Chicago, Cook and Lake counties, for the Democratic party. The Socialist party will be represented by Mrs. S. Vera L. Rodriguez, and the Farm and Labor party by Miss Lillian Herstein.

The Woman's Library club of Glencoe, wishes to announce that Mrs. Kenneth Rich of the Woman's City club is giving a series of talks on "Citizenship" at the Winnetka Woman's club beginning October 12 at 1:30 p. m. These lectures are free to the women of Glencoe, Winnetka and Kenilworth, and it is hoped that as many as possible will avail themselves of this opportunity to learn how to become more intelligent voters.

Owing to the postponement of the annual meeting and election of officers at the North Shore Golf club from September 18 to October 9, it has become necessary for the entertainment committee to change the date of the dinner and bridge to Wednesday, October 6. This is to be the last bridge of the season. Reservations must be in before Tuesday noon.

Indian Hill and Skokie Country clubs will hold their Harvest Home Dinner dances on Saturday evening of this week.

meet until October 22, on account of the card party which is to be given for the benefit of Community House at the home of Mrs. T. A. Copeland, 930 Chestnut avenue, on Friday afternoon, October 8.

The Neighbors of Kenilworth will hold their first meeting of the season on Thursday afternoon of next week, at the Kenilworth Assembly Hall, at 2:30 o'clock. The speaker of the day will be Mr. Wallace Bruce Almsbary and his subject, "Romance and Poetry of the Northland".

Professor Dodds of the University of Chicago is to give a course of lectures entitled "From Lincoln to Wilson" at the Winnetka Woman's club at 8 o'clock beginning Monday evening, October 11.

NORTH SHORE GOLF CLUB HOLDS FINAL GATHERINGS

The final dinner and bridge of the North Shore Golf club will be held on Wednesday evening, October 6, at the Kenilworth club house. Reservations are to be made before Tuesday noon of next week.

The annual meeting of the North Shore Golf club will be held Friday evening, October 9. There will be the annual election of officers. The meeting was postponed from Sept. 18.

The Search for an Ideal --and Its Results

An Open Letter to the People of the North Shore

Dear Friends,

I have lived in this beautiful community for ten years; received my education at New Trier High School, Lake Forest College, and Northwestern University.

I have endeavored to identify myself with your musical interests, and naturally, am always in sympathy with them.

One phase of musical development has interested me greatly—the production of music by mechanical means. But like all musicians I felt that player-pianos fell far short of the ideal.

Then, last December I heard the CHICKERING & SONS AMPICO REPRODUCTION PIANO. I heard the interpretations of Rachmanninoff, Godowsky, Ornstein, Busoni and others REPRODUCED phrase by phrase with all the tone coloring and individuality of the original. So firm was my conviction that the ideal had been truly attained at last that I purchased one of their instruments.

And now, because my enthusiasm for the AMPICO is so great, because I believe that the ideal means for recording and preserving for constant enjoyment in the home, the playing of the great pianists, has been attained; because of these factors I have decided to make YOU acquainted with what I have learned of this marvelous instrument.

I have given up my professional musical work and am pleased to announce my affiliation with the BISSELL-WEISERT PIANO COMPANY who are the exclusive distributors of the AMPICO REPRODUCING PIANO in the CHICKERING & SONS PIANO.

A cordial invitation is extended to you to come to our Studios in the Fine Arts Building, Chicago, to hear this wonderful piano. Come as our guest under no obligation. Ours is the obligation to entertain you.

Come any time or arrange an appointment with me by letter or phone. My home phone is Wilmette 581.

Very cordially yours,

E. CARLTON KAUMEYER
