annual meeting at Peoria. Ev-
 on had dispatched a special dele-
 on of business men to the con-
 ion for the purpose of entering
 strong bid for the honor, but in
 w of the fact that the next annual
 vention of the National Real
 estate association is to be held at
 the Coliseum in Chicago, it was
 thought best the state session
 should be held in a place somewhat
 removed from the seat of the na-
 tional gathering.

WILMETTE REALTY COMPANY ANNOUNCES SEVERAL SALES

The Wilmette Realty Company an-
 nounces the sale of a lot on Sher-
 idan road near Forest avenue for
 \$6,000, the property of Mr. Cardwell
 of Chicago, to George Ruby of Wil-
 mette. Other sales by the Wilmette
 Realty company were as follows:

Beak's bungalow on Washington
 avenue near Fifth street to Mr.
 Temple of Chicago for \$12,000. The
 Ruby residence at 1019 Sixth street
 to Mr. Skillen of Wilmette for \$17,-
 000. The Culver residence at 1522
 Forest avenue to J. W. Olson of Chi-
 cago for \$6,000. The sales were ne-
 gotiated within the past ten days.

CO-OPERATIVE BUYING SAVES THEM BIG SUM

Co-operative buying by employes
 is saving thousands of dollars an-
 nually for workers of the Goodyear
 Tire & Rubber company of Akron,
 Ohio. Already there is a grocery
 store, tailor shop and curb market
 for garden truck in operation.

At the grocery store commodities
 are sold slightly above cost, suits
 can be purchased more reasonably
 and garden truck bought direct from
 the farmers.

The grocery store, operated by
 the Service Pin association, compos-
 ed of employes of long-time service
 with the company, saved approxi-
 mately \$50,000 for workers last year.

The curb market is the latest ven-
 ture and has proved a great success.
 More than 1,500 employes purchased
 garden truck on the opening day and
 assured business to farmers who
 were at first skeptical as to the ben-
 efit that would accrue to them.

Her Object.

Little Miss Sarah went calling the
 other day with her mother. At one
 home the hostess' little daughter gath-
 ered all of her toys into her lap and
 sat in her little chair holding them.
 "Why, La Rue," rebuked her mother,
 "put down your toys so Sarah can play
 with them." "I am just holding them,
 mamma, so Sarah can have more room
 to play."

Heavy Vote.

"I have estimated," says Herman J.
 Phink, the scientist, "that if all the
 hard-boiled eggs in America cash
 their solid vote for a presidential
 candidate it would take two years to
 count his plurality."

AMERICANS ABROAD IN RED CROSS WORK

United States Citizens Far Away
 Enthusiastic Members of the
 "Fourteenth" Division.

Among the most enthusiastic and
 energetic members of the American
 Red Cross are those citizens of the
 United States who live outside the
 continental boundaries of their country
 —sons and daughters of the Stars and
 Stripes residing at the far corners of
 the earth.

These people compose the Insular
 and Foreign Division of the parent or-
 ganization, generally known as the
 "Fourteenth" Division, which has
 jurisdiction of all territory outside
 the country proper; that is, Alaska,
 Porto Rico, Hawaii, Virgin Islands, the
 Philippines, Guam, and even the is-
 land of Yap, which came under our
 flag as a result of the world war. For
 the year 1920 this division reported
 30,808 paid up members.

The main object of this division is
 to give our citizens everywhere the op-
 portunity to participate in the work
 of the organization which stands for
 the best national ideals. Americans
 in far places intensely loyal and pa-
 triotic, treasure their membership in
 the Red Cross as the outward ex-
 pression of their citizenship. It is an-
 other tie to the homeland and to
 each other. There are chapters of
 this division in Argentine, Bolivia,
 Brazil, Canal zone, Chile, China, Costa
 Rica, Cuba, Dominican Republic,
 Ecuador, England, France, Guam,
 Guatemala, Haiti, Hawaii, Honduras,
 Japan, Manchuria, Netherlands, Nica-
 ragua, Paraguay, Peru, Philippines,
 Porto Rico, Siberia, Spain, Sweden,
 Switzerland, Syria, Turkey, Uruguay,
 Venezuela and Virgin Islands.

During the war these scattered
 members of the Red Cross contrib-
 uted millions in money, and millions
 of dollars' worth of necessary articles
 for the men in service, and sent many
 doctors and nurses to France. At the
 same time they carried on an excel-
 lent Home Service in their respective
 communities for the families of those
 who had gone to war, and in some re-
 gions gave large sums of money and
 immeasurable personal service to the
 relief of disaster and disease victims.

The division is now establishing
 service clubs in foreign ports for the
 benefit of sailors in the American Mer-
 chant Marine, making plans to aid
 Americans in trouble in foreign lands
 and completing arrangements for giv-
 ing immediate adequate relief in case
 of disaster.

It is the Fourteenth Division's part
 in the great Peace Time program of
 the American Red Cross.

Perennial Relative.

Billy, six months old, wrote to his
 aunt the other day, and his mother
 thought best to read the letter before
 she mailed it: "Dear Aunt Gertrude:
 I go to school every day and take my
 lunch. I am well how are you. School
 is lots of fun, your undying newew,
 Billy."—Kansas City Star.

Not a Chance in the World.

"A good husband ought to tell his
 wife all his faults," is the advice given
 husbands of more or less doubtful
 status by a Milwaukee authority on
 domesticity. But the average husband
 will have to be very, very quick about
 it or the average wife will tell him
 first.—Pennsylvania Grit.
