

Activities of North Shore Clubs

by Ruth Risley

THE North Shore Catholic Woman's League will hold their opening meeting on Thursday, October 14, at the Winnetka Woman's club. This will be President's Day. The speaker of the afternoon will be Joseph Thompson, L. L. D., Editor-in-Chief of the Illinois Catholic Historical Review, his subject, "Racial and Religious Influences in Early Illinois". Several musical numbers will be given by Mrs. S. Harper, of Oak Park, soloist, and there will be some character dances given by Miss Alice O'Connell, accompanied by Miss Viola Budinger.

Monday, October 11, at 2:30 o'clock, there will be an open political meeting at the Wilmette Woman's club. There will be speakers from the Republican and Democratic National Headquarters. Mrs. C. C. Reckett of Illinois, Democratic, and Mrs. Paul Rewman, of South Dakota, Republican, will speak on "The Policies and Platforms of their Respective Parties."

Unusual interest is being taken in the course of lectures to be given by Prof. William E. Dodd of the University of Chicago at the Winnetka Woman's club on Monday evenings at 8 o'clock, beginning October 11. This is a popular course and has always drawn large audiences.

The outline and sub-topics follow:
1. Abraham Lincoln: The Young Republicans; The Ordeal of War; Lincoln's Reconstruction Spirit and Plan; Rising Power of Congress.

2. Robert E. Lee: The Old South and its greatest Leader; The Hero of Many Battles; Collapse of the Southern Cause; Lee's Last Years.

3. Andrew Johnson: A Vindictive's Peace, The Autocracy of Thaddeus Stevens, A Broken President.

4. A Revival of Democracy, 1912: Theodore Roosevelt and his Struggle; Woodrow Wilson and his Ideals; The Great Reforms, 1913-1916.

5. The Great War: The Menace of Imperial Germany; The Industrial Machine in America; The Leadership of Woodrow Wilson; Americans at their Best.

6. A Possible New World: The Election of 1918; Wilson at Paris; The Great Apostasy.

Tickets for the course may be obtained from Mesdames Morris Greeley, Leon Winne, William D. McKenzie, Wiley J. Huddle, A. W. Cushman, Allan Ira Wolff and from Miss Elizabeth Gemmill.

The Illinois League of Women voters will be organized to educate women in the duties of citizenship during the fifty-second and final convention of the Illinois Equal Suffrage association at the Congress hotel from October 7 to 9. With its membership of 200,000 women throughout the city of Chicago and state the suffrage association will disband and merge itself into the League of Voters. Branches of the league already have been organized in thirty-four states.

Following the last session of the state association on Thursday the delegates, representing the membership in the city and state, will disband the former body and organize the League of Voters. Friday will be devoted to a discussion and adoption of the constitution and the nomina-

tion of officers who will be voted on at the closing session on Saturday.

The first meeting of the study class on "Our Government" led by Mrs. Kenneth Rich of Hull House, Chicago, is on Tuesday afternoon, October 12, at 1:30 o'clock.

The class will meet at the Winnetka Woman's club, corner of Maple and Oak streets. There is no charge for this class and everyone interested in this kind of a course is most welcome.

DR. JAMES M. WILSON NAMED PERMANENT SEMINARY HEAD

Rev. Dr. James M. Wilson, formerly pastor of the Wilmette Presbyterian church and for the past four years pastor of an important church in Omaha, has been elected president of the Presbyterian Theological seminary in that city.

Three weeks ago The Lake Shore News received word from Omaha calling attention to the fact that Dr. Wilson had been named acting president of the seminary. His election to the permanent office of president was announced this week.

Dr. Wilson achieved great popularity in his ministry in Wilmette. He was keenly interested in village affairs in addition to his activities in church circles.

AMOUNT OF PIE FIXES THE AMOUNT OF FLESH

If you want to get fat—eat pie. If your beltline is already too large—let pie alone. This is the sage advice of Coach Connor, who is in charge of the health of employes of The Goodrich Tire & Rubber Company at Akron, Ohio. Connor is organizing a diet squad of employes who are too fat and of those who want to gain weight. The former will get food of proper nutritional values while the thin ones will get heaps of pie.

According to Connor, who is a health expert, one piece of pie will add more inches to the belt line than seven slices of wheat bread.

With tasty pies made in the company's own bake shop as an attraction, Connor expects a rush of workers to his diet squads.

AUTOMOBILE NOTES

Sig. Haugdahl, of Norway, during a speed trial held in Canada, recently made a record of 5 minutes 26 2-5 seconds for five miles over a dirt track in an automobile.
