

Activities of North Shore Clubs

by Ruth Risley

ON Thursday, October 21, at the regular meeting of the Winnetka Woman's club, Lucille Stevenson, soprano, and Gordon Campbell, pianist, will be heard in a joint recital. This is the first of a series of musical afternoon which the club has planned, and it is very much desired that the club members will co-operate in making this event the success it ought to be.

These artists are under the management of Wendell Heighton, and are being booked extensively throughout the middle west.

Miss Stevenson is a gifted pianist and is able to bring to her singing the knowledge and resources of the true artist. United with talents a broad culture and enthusiasm for all that is beautiful and the result is an art of great finesse. Very noteworthy was her singing of John Alden Carpenter's "Gitanjali" Cycle at its initial performance with the Chicago Symphony Orchestra.

Mr. Campbell has made three American tours with Charles W. Clark, and tours also through Great Britain and on the Continent.

This is a real opportunity to hear a charming program, and it is hoped that members will invite many guests to enjoy it with them.

The Entertainment committee at the North Shore Golf club announce the following events for October. On Tuesday, October 19, the Evening Bridge and Dinner will be held; Saturday, October 23, the Harvest Home Dinner will be given. No one will be admitted to dinner or dance except in costume (Gingham and Overalls). Prizes will be given for the most unique costume. Thursday, October 28, there will be an extra party, with dinner at 7 o'clock, followed by Military Euchre.

The political meeting at the Wilmette Woman's club on Monday afternoon, proved to be of a most interesting nature. Two excellent speakers, Mrs. Mary Sykes of Monmouth, Ill., a Republican, and Mrs. Charles C. Reckitt of Aurora, Ill., a Democrat, presented their respective views on the two candidates, Harding and Cox, for president of the United States. Mrs. Sykes spent some time on the history of the Republican party, and its traditions and in mentioning the league of nations said, "We do not repudiate the league of nations but we do want to know what we are going to get."

Mrs. Reckitt, on the other hand, of course is very strong for the League, and in a most convincing and effective manner, explained the good points of the Covenant and its many articles.

Preceding these speakers Miss

Davidson of the Community Service gave a most inspiring talk on "The Play Institute" which is to be held here the first week in November. Miss Davidson says that we Americans do not know how to play, and that real play as a recreation is the one sure way of keeping ourselves young.

The Art and Literature department of the Wilmette Woman's club gave its first program at the opening meeting on October 6. Mrs. Mary Jane Herring read the play "Happiness". The department has organized a drama study class which will consist of five afternoon talks on the general subject, "The Stage Today". These talks will be given by persons interested in different aspects of the subject which promises both interest and variety. The class will be held on alternate Monday afternoons at

2:30 o'clock, at the clubhouse beginning Monday, October 18. It will be open to all club members at a fee of \$1.50; to all members outside the club at \$2.50. Miss Bertha Iles who has charge of the Children's Dramatic work at the Municipal Pier will speak on that subject next Monday.

The Westmoreland Country club held its annual Harvest Home dinner dance last Saturday evening. The club was artistically decorated with autumn leaves, pumpkins and witches. There were many unique costumes worn by the guests.

NEW TRIER 4; CARL SCHURZ 1

New Trier's undefeated soccer team annexed another victory Tuesday afternoon when Carl Schurz went down under a spirited attack and finally succumbed 4 to 1. New Trier is booked to play Morton on the foreign field Saturday morning.

The English prayer book has remained virtually unchanged since 1662.

ADVERTISE IN YOUR LOCAL PAPER

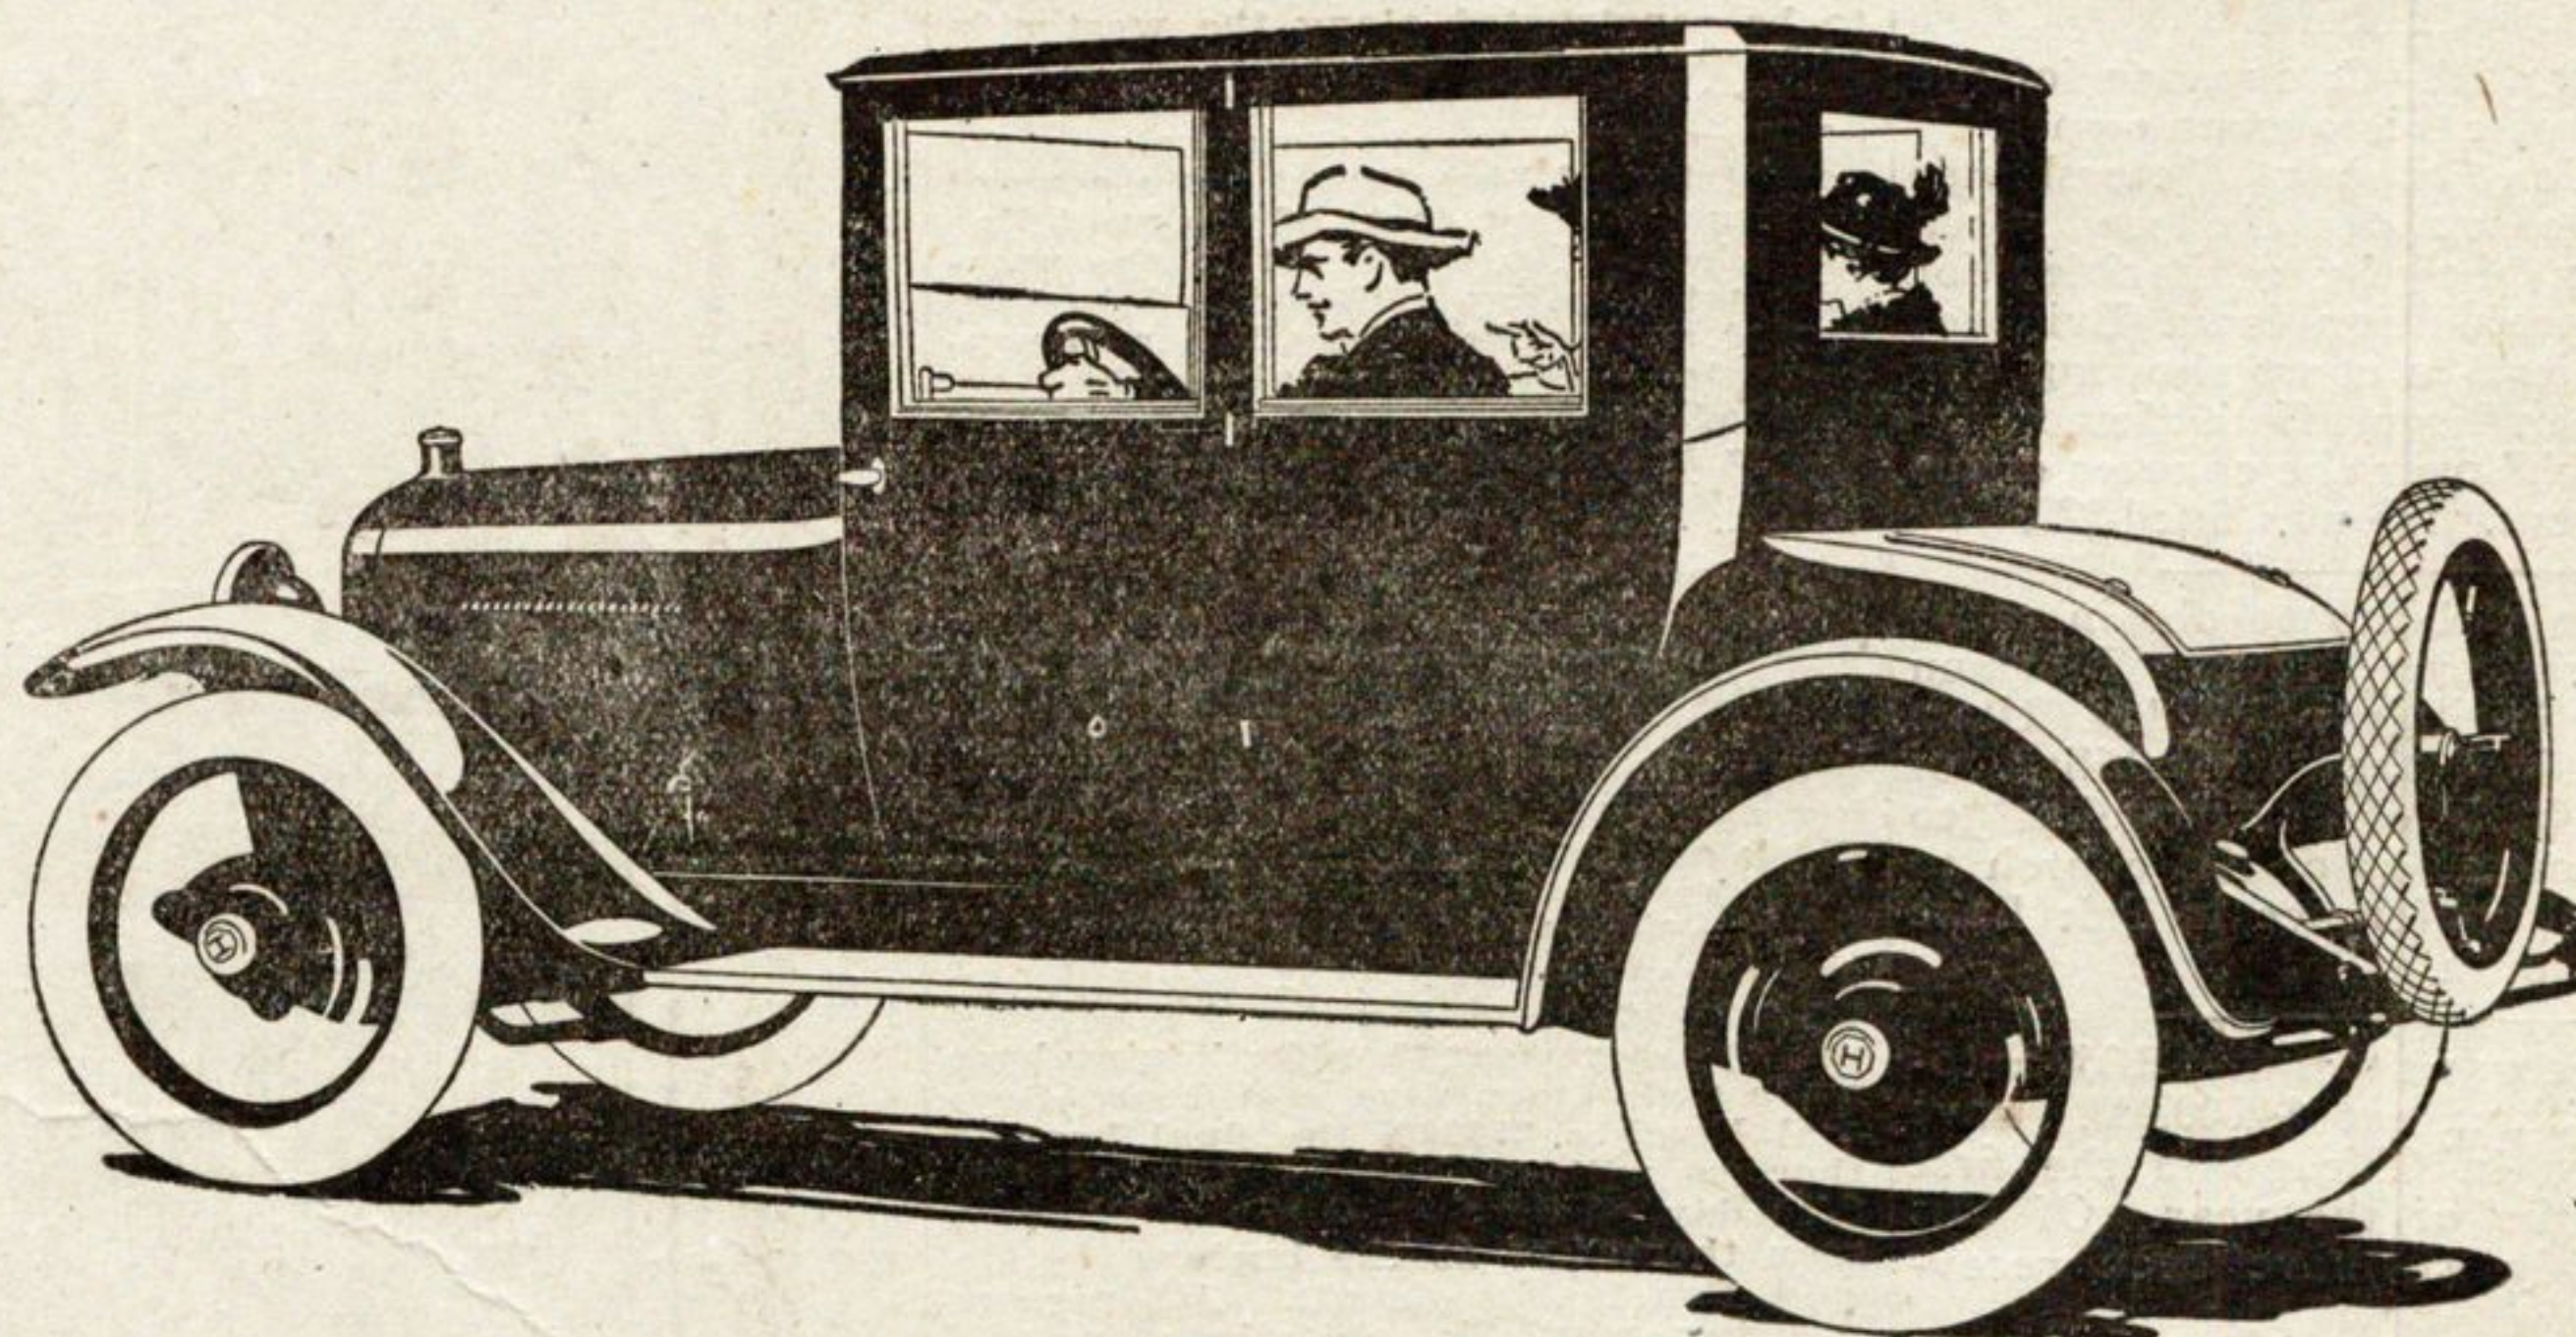

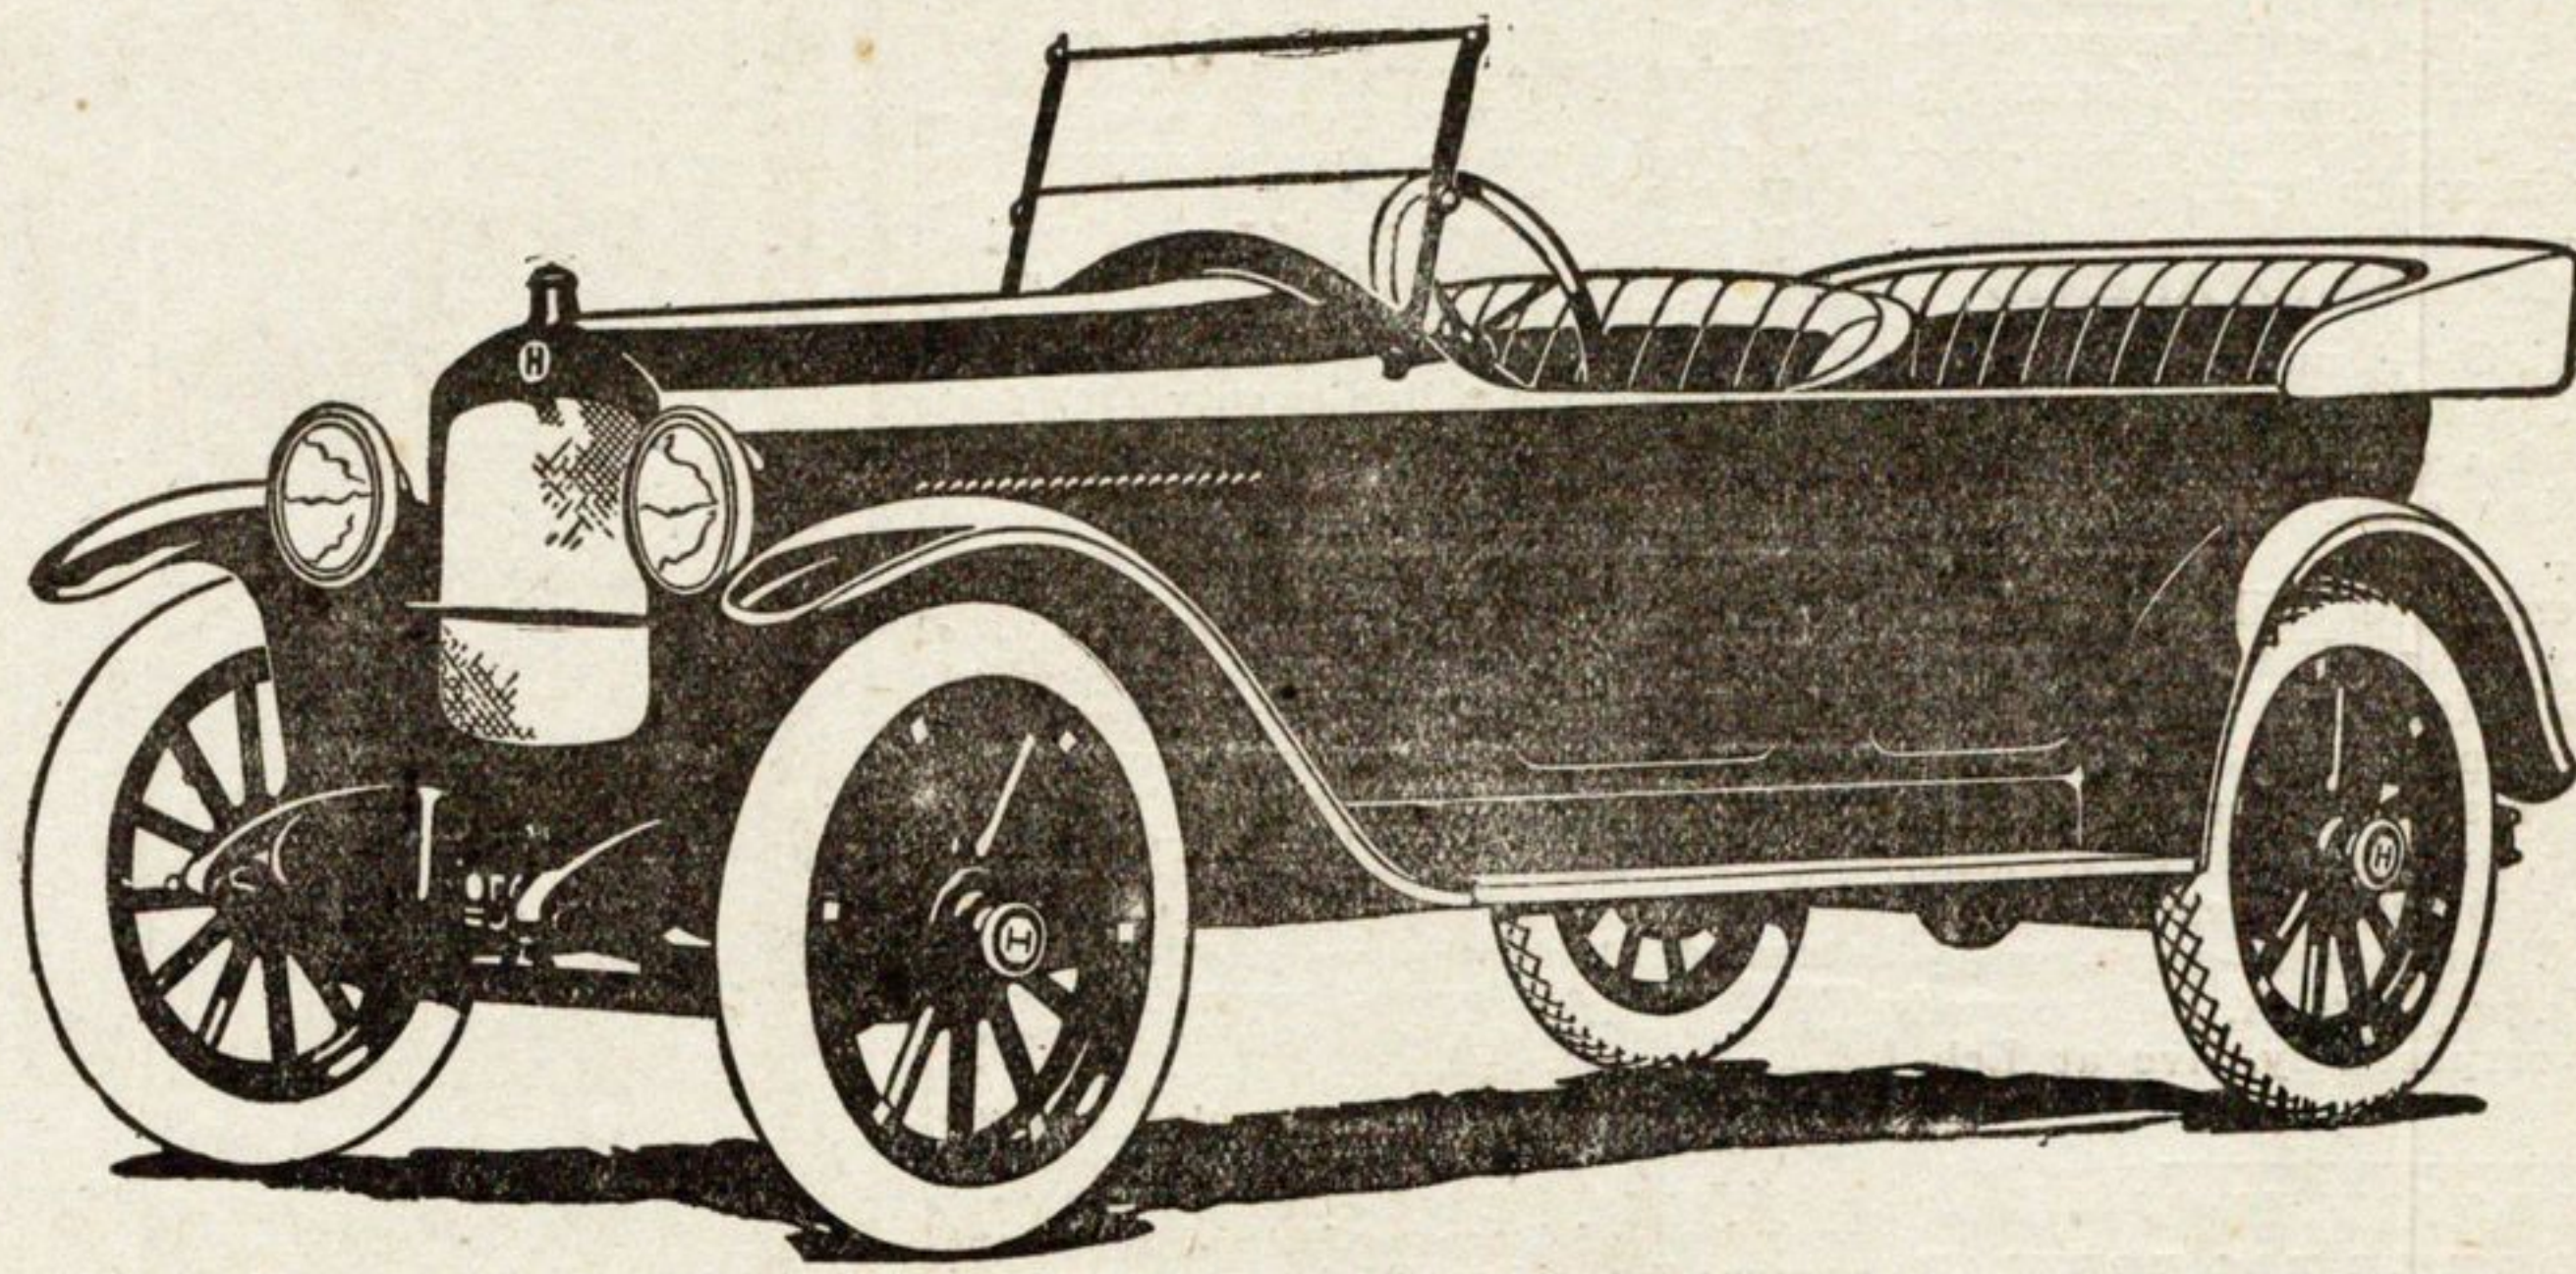

ALMOST anywhere you go, you soon discover that the Hupmobile is one of the favored few among motor cars.

It enjoys exceptionally high standing not only among its own owners, but with the motor car public in general.

This friendly, favorable attitude is entirely sincere, and is the reward of a car which gives continuous evidence, in daily performance and unusually low upkeep, of the conscientious care with which it is built.
