

## Activities of North Shore Clubs

by Ruth Risley

THE Tenth District Federation of Woman's clubs will meet November 10 at the clubhouse in Kenilworth. The "Kenilworth Neighbors" will be the hostesses on this occasion. North shore clubs holding memberships in the federation include the Wilmette Woman's club, Woman's Catholic club of Wilmette, the Neighbors, Winnetka Woman's club, North Shore Catholic League and the Woman's Library club of Kenilworth.

"Wilmette to me is the most typical American town on the north shore," said Mr. Jens Jensen, the noted landscape artist, who was a speaker at the Wilmette Woman's club on Wednesday afternoon. Mr. Jensen gave a most inspiring talk, advising that Wilmette do all in her power to preserve its natural beauty, and to add to it in any possible way.

Preceding Mr. Jensen, a plea was made by Mrs. Larson, who has served in Armenia with the Near East Relief committee for some time, for America's help in this great crisis over there. Mrs. Larson, in picturing the desperate conditions in Armenia at this time, compared the women and children she had seen in the fields digging for roots of grass to eat, with cattle grazing on the plains. For four months thousands of children found their only food in this manner, and when they were offered bread by the Near-East workers, they had forgotten what it was. The Near-East committee has adopted 115,000 orphans whose parents were murdered because they would not accept the Mohammedan religion. They must be cared for and since it costs on an average of \$5 a month to care for one of these

children, the Near-East needs help from every available source. Mr. Cooper Lawley, tenor, accompanied by Mr. Sanders, rendered several enjoyable solos during the program.

The Drama Study class of the Wilmette Woman's club has been fortunate enough to secure for its next program on November 1, Miss Evelyn Hansen of the Art Institute Extension department. She is associated with Mr. Crane in the Home Art lectures, her topic being, the ever interesting subject, "Dress, Considered from the Artistic Standpoint."

She will give two lectures, the first dealing with color, its meaning and value; the second, taking up line and textures. She touches upon the accessories of hairdressing, hats, ornaments and neckwear, and illustrates with gowns and crayon sketches.

This lecture has proved immensely popular throughout the country and it was felt it would be of interest to every woman in the village, single tickets will be on sale for fifty cents, for all who are not members of the Study class. Because of the double lecture the program must begin promptly at 2 o'clock, instead of 2:30.

At the Republican Women's Mass meeting, held last week in Winnetka, of women who are willing to align themselves with the Harding-Coolidge campaign was organized for campaign purposes, as well as for working at the polls on election day. Mrs. Maurice H. Lieber was appointed temporary chairman, and the committee includes: Mesdames W. A. Otis, John R. Montgomery, Charles D. Dallas, Frank Crawford, Leon H. Winne, W. D. Beall, Samuel W. McCauley, Arthur Dean, N. H. Gates, Frederick Dickinson, Wallace Rumsey, Justus Chancellor, Jr., Frank North, John McEwen and Miss Elizabeth Gemmill.

Wilmette Chapter and Star club of the Eastern Star will hold a bazaar, dinner and dance at the Wilmette Woman's club next Tuesday afternoon and evening, October 26. The bazaar will open at 3 o'clock in the afternoon, to be followed by dinner at 6:30 o'clock, and dancing at 8:30. Reservations for the dinner must be made to Mrs. Charles L. Hosken. Mrs. A. J. Kuelzow is general chairman of the affair.

The Current Events class, led by Mr. R. E. Pattison-Kline, will begin on Monday, October 25, at 2:30 o'clock, and meet alternated Mondays for the next four months. Following Mr. Kline's talk, Miss Lillian Herstein of the Farmer-Labor party will speak.

October 22 is Philanthropy Day at the Wilmette Woman's club, and it is hoped that there will be a large attendance. Sewing will be done for the Lake Bluff Orphanage.
