

Social Happenings in Winnetka & Hubbard Woods. by Ruth Risley

ANNOUNCEMENT has been made of the engagement of Miss Edna B. Harry, of Savannah, Ill., to Harold Vincent Cleveland, of Chicago, and of Miss Margaret Casey of Aurora, Ill., to Paul H. Boyer of Abilene, Kansas. Miss Harry is principal of the lower school at Horace Mann school, and Miss Casey, who was principal of Greeley school last year, is in charge of the English department of the Department school at Horace Mann. No date has been set for the weddings, but they will both probably take place at the close of school next June.

Mr. and Mrs. John R. Leonard and their daughter, Miss Mary Elizabeth Leonard will be at home at "Wildacre", Winnetka, New Year's Day from four to seven o'clock. The tea will be followed by a supper dance for debutantes and their escorts.

The marriage is announced of Miss Mary C. Taylor, daughter of Mr. M. C. Taylor of Rochester, N. Y., to Mr. Francis Holland, Jr., of Winnetka, on Saturday, October 23. Mr. and Mrs. Holland are making their home in Detroit, Mich.

A regular meeting of the Winnetka Woman's club will be held on Thursday afternoon, November 4. The program is in charge of the Educational committee, and they announce a lecture on Visual Education by Professor Rollin D. Salisbury of the University of Chicago. This is a very unusual opportunity to obtain information about an educational system which is attracting wide-spread interest all over the country. It has already been adopted by the public schools of Evanston, Illinois, and Detroit, Michigan. Prof. Salisbury's talk will be illustrated by films.

In speaking of Visual Education Superintendent C. W. Washburne says:

"Visual Education, which is the subject of Professor Salisbury's Woman's club address, is a phase not yet well understood by most people outside of the educational world. It has been recognized for a long time by educators, however, that present day education does not give the children sufficiently vivid pictures in connection with either geography or history. Children read books and learn facts so that they can answer questions in recitation or examination, but little is done in most schools toward making the facts real. The chief aid in making history and geography live is in various types of pictures. Plain pictures are good, but not nearly as vivid nor as interesting as either motion pictures or stereographs. The Society of Visual Education, composed of educational leaders from all parts of this country, has been specializing in preparing educational moving picture and lantern slides and co-operating with the manufacturers of stereographs for school use.

"Visual Education" is not a fad. It is a big step forward in the method of education. It is a step from merely remembering words to understanding the realities of history and geography."

The opening meeting of the Study class of the Missionary department of the Woman's society of the Congregational church, held at the home of Mrs. L. Harrison Mettler, was well attended and proved to be a most delightful one. The program consisted of a group of Brahms' waltzes, by Miss Clara Harsch, pianist; an illustrated talk on "Africa", by Mrs. E. E. Brown; a talk on "India" by Mrs. William Ayer McKinney; and a group of three songs by Mrs. C. E. Karstrom.

In recognition of her excellent administration Mrs. H. Hathaway Watson of the Indian Hill club was re-elected president of the Women's Western Golf association at the annual meeting yesterday at Mandel's. Reports indicated that the season had been one of the most successful in the history of the organization, an outstanding feature being the strong representation of the W. W. G. A. in the women's national championship at Cleveland.

A series of four dances, to be known as the Winnetka Assemblies, will be held at the Woman's club, Winnetka, on the evenings of November 25, January 1, January 21 and February 21, at 9 o'clock. The identity of the governors of these dances is concealed in P. O. box 19, University club, Chicago. It is the intention that these dances approach the old-time Bachelors and Benedicts events.

DON'T FORGET TONIGHT'S HALLOWE'EN CELEBRATION

Winnetkans Will Turn Out in Great Numbers For Big Party at Community House

Tonight Winnetka will forget, for the time, differences of opinion concerning politics and other weighty matters to foregather at Community House for the annual Village Hallowe'en party. When the doors are thrown open at 7:30 o'clock it is expected that well over a thousand Winnetkans, old and young, will be on hand to participate in the annual Hallowe'en event.

And it will be some party for preparations have been underway for several days under the direction of a large committee of prominent villagers, of which S. Bowles King is general chairman.

Arthur Barrett, co-chairman, is in charge of general arrangements for the affair. Assisting are Gilbert Scribner, chairman of the "spooks"; William Bersac, theatrical magnate; Paul Kreger, chairman of the police; Mrs. H. H. Barnum, fortune telling; Harry P. Clarke and Jack Anderson, gymnastic stunts; Miss Polly King, refreshments.

An especially interesting feature of the evening will be a trained dog performance in the Assembly room under the direction of Mr. Barrett. Here also will be found the orchestra.

There are to be weirdly decorated rooms in charge of Mr. Gilbert, fortune tellers in considerable number, under the direction of Mrs. Barnum; games and contests in the gymnasium, under the leadership of Messrs. Clarke and Anderson who are adept in providing entertainment of that character. Of course there will be all sorts of Hallowe'en stunts that are to be a deep secret so that everyone may be properly surprised. Miss King will see that everybody gets plenty of ice cream cones and candy.

Do not forget the hour. Seventy-three o'clock tonight at Community House. Bring the whole family to enjoy a real old-fashioned good time. The Village Hallowe'en party has become a village institution and all your friends and neighbors will be there.

REDS AND INDIANS WIN IN LEAGUE INDOOR GAMES

The Reds outplayed the Dodgers in Wednesday evening's indoor baseball game at Community House and the Indians annexed another victory by defeating the Cubs. The Reds triumphed 16 to 6 and the Indians 11 to 8.

The Reds' victory was the outcome of some heavy slugging and good hurling. An early lead was taken and held to the finish.

The second game showed Bailey wasn't invulnerable as he nosed out a 11-8 win, in contrast to last week's engagement which he won by fanning 21 batters and allowing but 2 hits.

The Reds meet the Indians in the curtain raiser next Wednesday, the Cubs and Dodgers meeting in the aftermath.

The league standing to date:

	W.	L.	Pct.
Indians	2	0	1.000
Reds	1	1	.500
Cubs	1	1	.500
Dodgers	0	2	.000
