The Drama Study class of the Wilmette Woman's club has been fortunate enough to secure for its next program on November 1, Miss Evelyn Hansen of the Art Institute Extension department. She is associated with Mr. Crane in the Home Art lectures, her topic being, the ever interesting subject, "Dress, Considered from the Artistic Standpoint."

She will give two lectures, the first dealing with color, its meaning and value; the second, taking up line and textures. She touches upon the accessories of hairdressing, hats, ornaments and neckwear, and illustrates with gowns and crayon sketches.

This lecture has proved immensely popular throughout the country and it was felt it would be of interest to every woman in the village. Single tickets will be on sale for fifty cents, for all who are not members of the Study class. Because of the double lecture the program must begin promptly at 2 o'clock, instead of 2:30.

RECEIVE ELECTION RETURNS AT NEW TRIER HIGH SCHOOL

This is probably the largest available auditorium in New Trier township and will undoubtedly be filled to its capacity.

Music will be furnished by the New Trier band, moving pictures will be shown in connection with results announced. Doughnuts coffee and co-

coa will be provided. A very interesting and enjoyable evening is anticipated.

The public is earnestly requested to come early. Doors will be open at 8 o'clock, and the service will start promptly. A silver offering will be taken to defray expenses. No admission charge. This will be strictly non-partisan, and is for the benefit of the public.

To assure the most careful attention holiday orders should be placed NOW. Why not drop into our store and let us show you some of our distinctive designs that can be furnished for a surprisingly low cost?
