

NEW TRIER TRIMS DEERFIELD 21-14

Township Lads Fight Great battle For Honors Which May Mean Suburban League Championship

WIENECKE PROVES STAR

Makes Brace of Touchdowns and Performs Well With Toe in the Crucial Engagement

"New Trier Will Shine Tonight!" became a reality Saturday evening after the Black clad gridiron warriors of the Township High school returned from Deerfield where they administered a 21 to 14 defeat to their rival neighbor.

It was a game that will live long in the memory of the 2,500 spectators who witnessed the gruelling battle. For sixty-two minutes 22 players contested on the white-chalked field to such an extent that onlookers at times were dumfounded at their stamina.

New Trier Handicapped

This was particularly true of the New Trier boys. They went into the engagement minus the services of their star quarterback, Rand, and with no promise of any sensational playing from Donny Boice, his substitute.

Boice proved a game fellow however and before the battle ended demonstrated his ability to play football. He made several excellent runs and remained cool at all stages, calling signals intelligently, thus aiding materially in the victory. He was guilty of several fumbles but these can be excused on the ground that other players with more experience than he found it difficult to carry the ball Saturday, so intense was the playing.

Outstanding heroes of the game were Wienecke, White and Kerr. "Bob" Wienecke made 2 of the 3 touchdowns for the victors and punted the ball excellently in critical spots. White assisted in making another touchdown while two of New Trier's points were made by a safety by Parcels of Deerfield in the first period. Kerr was a "bear" on both the defensive and offensive and in the third quarter saved the colors by a thrilling tackle on Mellwaine.

All of the New Trier athletes deserve a share of praise as they did their level best for the honor of the school at all times and not once failed to respond with every ounce of vigor, especially in the last quarter when their goal was threatened several times.

Woman's Club

A regular meeting of the Winnetka Woman's club was held on Thursday, November 4, at 2:30 o'clock. The president was in the chair. The minutes of the last meeting were read and approved. Mrs. Porter then announced that a change in the by-laws of the club was being considered. It was proposed to change section 9, article 6, to read as follows:

"At regular meetings the essayists may invite six guests. Other members may each invite one non-resident guest, and resident guests upon payment of fifty cents by the member who invites the guest."

A motion to this effect was unanimously carried. Mrs. Porter explained that this fee applies only to regular club meetings. The guest fee for all departmental activities is to be determined by the particular committee in charge.

The following announcements were made:

There will be a meeting of the Federation of Women's clubs of the Tenth Congressional District of Illinois on Wednesday, November 10, with The Neighbors of Kenilworth. This will be an all-day meeting. Mrs. Porter and Mrs. Lieber will represent the club at the morning session which begins at 10:30 o'clock. A luncheon will be served at 12:30 o'clock, price 75 cents. All reservations should be made with Mrs. Harry B. Crooks, Kenilworth, not later than Saturday.

The Fisk Jubilee Singers will give a concert in Community House on Thursday evening, November 11, at 8 o'clock. Admission 50 cents.

Professor Dodd's two final lectures under the auspices of the Civics and Philanthropy committee, will take place on the evenings of November 8 and 15.

The Department of Music offers an afternoon of Folk songs next Wednesday, November 10, at 3 o'clock, under the direction of Mrs. Burton Atwood, assisted by Miss Florence Bernstein, and the Geranlen Trio. Further announcement of this meeting is made elsewhere.

The program for the afternoon was in charge of the Education committee, Mrs. Wallace W. Chickering, chairman. It consisted of a most interesting lecture by Professor Rollin D. Salisbury of the University of Chicago, on "Visual Education". Professor Salisbury explained how by the use of films and slides text books may be supplemented, and school children given a much more comprehensive and vivid viewpoint of a subject. Professor Salisbury gave a practical illustration of his methods in connection with three

films which he showed, "The Formation of a Mountain Glacier", "Early French Explorations in North America" and "The Development of the Steamboat". The Society for Visual Education has already issued over three hundred films and many more are in preparation.

After the meeting tea was served, the hostesses for the afternoon being Mrs. Bert H. Kershaw, Mrs. Clarence E. Mehlhope, Mrs. Carl A. Scholl, and Mrs. Miles S. Whitney.

The next regular meeting of the club will be held on Thursday, November 18, at 2:30 o'clock. The program is in charge of the Art and Literature committee, and will consist of a paper by Mrs. Norman Harrower on "Modern French Poets". A group of French songs will follow.

FIRST RADIATOR SHOP IS OPENED ON NORTH SHORE

With twelve years experience as a specialist on automobile radiators, M. Alb has come to the north shore to engage in radiator repair work. He has opened a shop in Maple avenue, just south of Davis street, Evanston.

He came here from Racine where he was in charge of a shop which employed twelve radiator men.

Alb is not only an expert radiator man, but he is also the inventor and designer of a radiator core. He sold his patent right of this to a company which is now manufacturing the cores in Racine. These are standard equipment on the Winton and are widely used.

With the opening of Alb's shop it is now unnecessary for the automobile owner or auto repair shop man to send to Chicago for radiator repairs.
