

Social Happenings in Winnetka & Hubbard Woods. by Ruth Risley

MEMBERS of the Winnetka Woman's club are looking forward with pleasure to an afternoon devoted to Folk songs arranged by the Music department. This program will be given Wednesday, November 10, at 3 o'clock, in the clubhouse.

Miss Gertrude Farrell, a member of the Geranlen Trio, which will render several numbers, will sing the Norwegian Echo song. She has used this song in more than two hundred concerts when on tour and always with great success. Another interesting feature will be the singing of several Hebrew songs which are unaccompanied and have been handed down from generation to generation in Hebrew families. Miss Bernstein will also sing that popular Jewish song "Yohzeit" made famous by Sophie Braslau during the last musical season.

There will be the usual admittance fee for guests and it is hoped that the attendance will be large.

Those who are attending the lessons on "Our Government", conducted by Mrs. Kenneth Rich of Hull House, are discussing many points in the machinery of our government which should be but are not fully understood by many women.

These lessons under a competent instructor are given every Tuesday afternoon at 1:30 o'clock at the Winnetka Woman's clubhouse.

Every woman in our village is cordially invited to these classes whether she is a member of the club or not.
