THE Young Woman's Auxiliary cordially extends an invitation to all members of the Wilmette Woman's club and other interested friends, to be present at an open meeting Monday evening, November 22, at 8 o'clock. The speaker of the evening will be Mrs. Frank Jerome, well known Social worker of Chicago, whose subject will be "The Park Ridge School for Girls". Some of the Park Ridge alumnae will also be present. Mrs. Jerome is of national repute, being very prominent in the educational world, and several years president of the Chicago Woman's club. It will be considered a very great privilege to meet with her, and it is hoped a large number will take advantage of this opportunity.

The North Division of the Woman's Missionary Union will meet Thursday, November 18, at the Bowmanville church, Lincoln and Berwyn avenues. The program will be interesting as it will consist of impromptu talks from representatives of many churches, and of an address given by the Rev. C. W. Burton. The ladies are requested to carry box lunches and will be served with coffee by the women of the Bowmanville church. Further information may be had by calling Mrs. D. M. Gallie, telephone Wilmette 956-R.

"Great Men of the Pilgrim Movement" was the subject discussed by Dr. Frank Gunsaulus at the Woman's Library club meeting in Glencoe, Thursday afternoon. Mrs. Harvey Brewer, violinist, augmented the program with a group of selections. On Thursday, November 18, the club will meet for luncheon at the Art Institute, where the American Art Exhibition is going on. Mrs. Royal Munger, formerly Miss Mia Stanton, will be the lecturer on this occasion. There will also be several addresses by artists at the luncheon.

The annual meeting of the Associate Alumnae of Northwestern university will be held at Harris hall, homecoming day, Saturday, November 13, at 10:30 o'clock. The business session will be devoted to annual reports, election of officers, and reports of special committees which will include many important recommendations calling for specific action. Luncheon will be served at 12 o'clock. President and Mrs. Walter Dill Scott will be the honored guests and President Scott will speak.

the Art and Literature committee, and will consist of a paper by Mrs. Norman Harrower on "Modern French Poets". A group of French songs will follow.

An innovation is to be introduced at the North Shore hotel Saturday afternoon, November 20, when a tea dance will be given under the direction of Miss Mildred Brandham Peirce and H. M. Peirce, Jr. Herl Mintz' orchestra will furnish the music and dancing will be from 3 o'clock to 6 o'clock.

At a few dangerous crossings in London, notably in the financial and business districts, subway passages are constructed for pedestrians, but the people will not take the time to use them.
