New Trier High school's basketball quintets will open the 1920-1921 season with a double-header on the evening of Friday, December 3, at New Trier with Waller High school of Chicago as opponents. The Chicago heavyweight team defeated the north shore school last year in a 16-15 thriller, which was decided in the last minute of play. The New Trier lightweights won the 1919 tussle with the same school.

A NEW SERVICE & CONVENIENCE

We are opening The Kamera Shop at 743 Elm Street, a thoroughly modern plant for photographic finishing, together with a carefully selected line of Cameras, Kodaks, Photo' Supplies, Novelties and Picture Frames.

Having served ten years in high grade studio work and two years with the Eastman Kodak Co., and now having the assistance of my brother, an expert finisher, I feel that we can please the most critical and exacting trade. We are equipped for prompt delivery of finishing for amateurs and the making of strictly first-class exterior, interior and artificial-light pictures at any time or place.

Every negative and print will receive our personal attention and will not be entrusted to inexperienced workmen or girls as employed by the majority of amateur finishing departments.

Information cheerfully given. Let us help you to correct your photo troubles or select the camera or accessories that you need. C. A. HONEYWELL.

Soliciting your valued favors, we are Yours for Good Pictures.
