THE RESTLESS AGE.

This is the restless age. Everybody is restless, men, women and children. The baby is scarcely out of its crib before it begins looking about for some thing to do, something that is not to be found within the four walls of home.

All sorts of public activities are organized to meet this restlessness, to provide that measure of excitement that makes life endurable to the child, to the youth, and to the adult. Churches and schools have branched out into the provision of social opportunities for the people who frequent them. Sunday night teas in the church parlors, Friday night dances in the schools, every night movies in great abundance have sprung up to satisfy this spirit of restlessness that has become the characterizing mark of the times.

Why all this restlessness? That is what most of us would like to know. It is convenient to lay it to the account of the war, but it began before the war broke. It is frequently laid at the door of loosening home ties, to the new sense of freedom that has developed in women, the growing disposition of mothers to seek and find some interest outside the home circle and the home walls. It is laid at the doors of the movies, where popular entertainment is to be found at a price within the reach of all, where children may go without infringing too much upon their little allowance for pleasure. Whatever its source, the restless age is upon us and it is incumbent upon the age to direct it into useful channels, to convert the energy that develops the restlessness into achievement rather than into mischief that is likely to be resultant.

How to change aimless restlessness into energetic pursuit of an ambition and an ideal is the problem that confronts those who have in their charge the direction of the lives of young people. It is a problem that cannot be approached too seriously, that cannot be given too much thought.

CUBS TRIM DODGERS; INDIANS LOSE TO REDS

In Wednesday evening's indoor games at the Community House the Cubs defeated the Dodgers in a 10-5 battle while the Reds nosed out "Kink" Bailey's Indians 12-11 by hammering his offerings at the right time for the winning markers.

The present standing of the teams:

	W.	L.	Pct.
Indians	4	2	.667
Reds	3	3	.500
Cubs	3	3	.500
Dodgers	2	4	.333

The Reds and Cubs are opponents in the first battle next Wednesday while the Dodgers and Indians meet in the second contest.

KAMERA SHOP PROMISES BEST IN PHOTO TRADE

"A New Service and Convenience" is the slogan of the Kamera Shop, opened this week at 743 Elm street, with a thoroughly modern plant for photographic finishing and a select line of cameras, kodaks, photo supplies and novelties.

The Kamera Shop is conducted by C. A. and W. H. Honeywell, the former having had ten years' experience in high grade studio work and two years with the Eastman Kodak company. W. H. Honeywell is considered an expert finisher and the brothers are prepared to "please the most critical and exacting trade".

NORTH SHORE AUTO SALON DEC. 1 TO 4

Latest conveniences, necessities and even luxuries of the automobile world, as exemplified in the new models of some thirty or forty makes of cars, sedans, roadsters, touring cars and laudelets handled by north shore and Chicago dealers will be on display at the annual automobile show of the north shore.

The Oakland-Phillips Motor company at 1013-17 Davis street, Evanston, will house the display and the date for the affair has been set by the automobile dealers' association for December 1 to 4. It had at first been hoped that the Northwestern gymnasium might be secured for the show. The university authorities however could not see it that way and the Oakland-Phillips storage rooms being large and fully lighted were chosen. It has the largest floor space for a building of its kind on the entire north shore.

Closed Car Feature

One of the features of the display will be the number of closed cars on exhibition. The joy of 365-day service to the year has so impressed itself on the car buyers that this type of machine is rapidly growing in popularity.

There will be fifteen booths representing north shore dealers and each dealer will be allowed to display three cars. If each takes his quota as is expected at this time there will be some forty-five local cars on display. Space is also being reserved for the Chicago dealers and there may be some fifty or sixty cars in all on display.

No Accessories Show

"This will be purely an auto show," said R. D. Cunningham, chairman of the publicity committee, "and we do not intend to reserve any space for accessories. People who come to the display will not be bothered with solicitations to buy some new spark plug or tire filler."

The dealers will have their agents on hand to answer questions, distribute literature and take orders. The different makes of cars to be represented at the show are as follows: Reo, H. C. S., Auburn, Scripps-Both, Maxwell, Paige, Moon, Studebaker, Elgin, Hupmobile Franklin, Willys-Knight Overland, Jackson, Nash, Stearns, Cleveland, Stephens, Chandler, Buick, Dodge, Lexington National, Hudson, Essex, Ford Milburn Light Electric Oakland and Sheridan.

The show will be in charge of the following committees: Management, Peter N. Jans, chairman; signs, Earl Coal, chairman, M. R. Walsh and J. B. Coy; printing and advertising, R. D. Cunningham, chairman, C. A. Fridman and H. H. Quigley; music, C. H. Briggs, chairman, R. Metz and Tracy Holmes; rules, Benjamin E. Gage, chairman, Lincoln Scales and A. H. Peck; decorating, C. M. McDonald, chairman.

UNRULY MILK WAGON HORSE CAUSES INJURY TO DRIVER

Harry Lill, of Evanston, driver for the Bowman Dairy company, was taken to the Evanston hospital last Saturday afternoon suffering a compound fracture of his right ankle, the result of an accident on Winnetka avenue, at the Indian Hill station, when his foot was crushed under a wheel of a milk wagon.

A horse Lill had been driving suddenly becoming unruly, dashed headlong across the railway tracks throwing Lill under the wheels of the milk wagon. Frank Pavlik, Jr., of Johannsen and company, real estate operators, noticed the disturbance from the offices nearby and rushed out to stop the frightened animal in time to avoid collision with a Chicago, North Shore and Milwaukee train.

Ten Ways to beat the H. C. L.

1. BE A PRODUCER. Work and earn, to help increase the world's goods, and thereby decrease the cost of necessities.
2. MAKE A BUDGET. Plan how you will dispose of your income. Do not live from "hand to mouth."
3. RECORD YOUR EXPENSES. Keep track of where your money goes to see how you come out with respect to your estimates.
4. KEEP YOUR MONEY IN BANK. Pay bills by check and put your surplus regularly in savings. This keeps your money safe and helps you to save.
5. CARRY LIFE INSURANCE. It is an investment—not an expense—a protection to your dependents after you are gone.
6. MAKE A WILL. Be sure your "house is in order," for you never know when you will be called to the "great beyond."
7. OWN YOUR OWN HOME. Even is you have to go into debt for it, your greatest satisfaction will come from living under your own roof.
8. PAY YOUR BILLS PROMPTLY. Don't obligate yourself beyond the limits of your budget allowances and protect your credit by meeting those obligations promptly.
9. INVEST YOUR SAVINGS. When your savings are sufficient to buy one or more good bonds, go to your banker and buy them.
10. SHARE WITH OTHERS. Remember the Golden Rule and do your full duty toward mankind; for therein lies contentment, without which you cannot be truly prosperous.
