

Activities of North Shore Clubs

by Ruth Risley

AN opportunity is to be afforded club members at the next regular meeting of the Winnetka Woman's club, under the direction of the Civics and Philanthropy committee, on Thursday afternoon, December 2, when Mr. Willoughby G. Walling, vice chairman of the American Red Cross will speak on "The Relief of Europe". Mr. Walling brings to this talk all the wealth of his varied experience in Washington and abroad. The hostesses will be Mesdames Howard Ballenger, William S. Carlisle, Isaac B. Connor and John C. West.

Katherine Jewell Everts will present her subject, "Better American Speech" before the members of the Wilmette Woman's club on Wednesday afternoon, December 1. This is the general club day. Hostesses on this occasion will be Mesdames William R. Harvey, James A. Steren, Alexander C. Barkley, and Samuel J. Marks.

North shore women who are interested in the success of the New America Shop, recently opened in the Stevens building, Chicago, by the Daughters of the American Revolution, include Mesdames Israel C. Cope, Edward Bemis, Harrison Young, Sanger Brown, James Lowry, R. W. Varney, W. D. Washburne, Robert Barrie, Charles Pope, Edward Scheidenhelm, William Kunkel, Sherman Aldrich, George Kraft, W. H. Hansen, E. D. Frazer, Frank Richardson, Charles Winston and William A. Locy.

Thanksgiving eve a dinner dance was given at the Westmoreland Country club. This was the last party of the 1920 season at the club. At this time the clubhouse was open for inspection. For those not caring to dance, card tables were furnished.

The annual meeting for the election of officers of the Ravinia club will be held at the Blackstone hotel on Friday, December 3, at 10:30 o'clock a. m. A full attendance is very much desired.

Children of the Winnetka public schools, following the precedent established a year ago, have started work on hand-painted Christmas greetings cards to be sold in the village for the benefit of the relief work conducted by Dr. Alice Barlow-Brown among the Serbian refugees.

Last year the sale of these cards netted \$40, which was directed to Dr. Brown. The first remittance was not received by the Winnetka relief worker, but the second remittance was received later, the draft being honored and cashed on September 21, 1920.

Purchase of these cards provides a means of materially assisting in the very urgent work among the destitute Serbian war sufferers.

Women members of the Glenview Golf club are subscribing two dollars each to furnish a \$500 room in the children's department of the new polyclinic hospital.

This room is to have a plate in-

scribed, "Furnished by the Women of the Glenview Club," and all members are urged to join in this big civic undertaking.

Mrs. David Fiske is in charge of the subscription committee and it is announced that all checks should be made payable to the Chicago Polyclinic and mailed to Mrs. Fiske.

At the meeting of the Music department of the Wilmette Woman's club on Thursday, December 2, the lecture on, "The Opera" will be continued.

"They Don't Answer"

SOMETIMES, when a number is asked for on the telephone, the operator reports that the number called does not answer.

Experience shows the operator is seldom mistaken. In the majority of cases the person called is absent or not near enough to hear the telephone bell. Sometimes he is just slow in answering.

"Don't answer" reports would be greatly reduced if subscribers would be prompt in answering when their bells ring.
